File a Formal Complaint - Michael A. Fertakis

[Michaelfertakis](#) reported (Wed, 17 Oct at 10:21 AM) via Portal Meta

According to the PDC David has not filed a C3 report for any contributions made since August 11th, and has not filed a C4 report for any expenditures made since August 31st.

What impact does the alleged violation(s) have on the public?

By failing to disclose his contributions and expenditures, David Chan is depriving the public of their ability to know exactly who David is getting his money from in addition to how he is spending his money. Considering he already has had two complaints made against him for similar deceptive practices in the Primary, it is very hard to believe that he would not be intentionally trying to hide his money once again.
