Ms. Fiman,

I am representing the North Cascades Jobs Enterprise Washington Committee sponsored by Enterprise Washington (the "Committee") in the matter referenced in this email.

After review of the complaint and discussions with Mr. Harvey, it is clear that a combination of incorrect committee contact information on file with the PDC and the transition to a new compliance system/staff led to a gap in committee reporting. It is the intent of the committee to gather data and amend and/or file reports addressing this complaint within two days – January 4, 2018. Once this process is complete I will immediately send you a formal response to the complaint. In the meantime, please contact me at any time with any questions or to discuss further.

Sincerely,

Dan Brady
