Public Disclosure Commission  
711 Capitol Way #206  
PO Box 40908  
Olympia, WA 98504-0908

To Whom It May Concern:

Please accept this letter as a formal complaint to the Public Disclosure Commission concerning the North Cascade Jobs Enterprise Washington's disregard of public disclosure law, particularly not properly filing C6 reports for paid website domains and television time.

According to RCW 42.17A.260(1), the sponsor of political advertising who presents to the public political advertising that qualifies as an independent expenditure shall *deliver a special report to the commission within twenty-four hours of the date the political advertising is first published, mailed, or otherwise presented to the public*. North Cascade Jobs Enterprise Washington has not filed a single C6 report for neither the purchased television time or the website [www.seattlevargas.com](http://www.seattlevargas.com). This shows a trend of public disclosure law violations that need to be addressed.

The website, [www.seattlevargas.com](http://www.seattlevargas.com), indicates at the bottom of the page that is paid for by North Cascade Jobs Enterprise Washington. According to a website domain look-up (<https://whois.icann.org/en/lookup?name=www.seattlevargas.com>), the website was purchased on October 9, 2018. Since no C6 has been filed for this website, North Cascade Jobs Enterprise Washington is in violation of RCW 42.17A.260(1), as they have passed the twenty-four-hour deadline.

The organization also purchased television time, which is evident in the attached FCC file. Advertisements were shown in Whatcom County as early as October 11, 2018. There are no filed C6s for the purchased cable advertisements sold by Medium Buying LLC. This makes North Cascade Jobs Enterprise Washington in violation of RCW 42.17A.260(1) on two separate accounts.

I respectfully request an investigation into this unlawful conduct by the North Cascade Jobs Enterprise be issued immediately.
