

Complaint Description**File a Formal Complaint - Marla Johns**

[Email4marla](#) reported (Thu, 18 Oct at 1:51 PM) via Portal Meta

During a candidate forum in Eastsound, WA 2 on duty deputies in uniform appeared and were present for approximately 75 minutes during the sheriffs forum section. In response to a question, the Sheriff (Ronald Krebs) whom s up for re-election pointed to each Officer in uniform and asked the public to speak to them as representatives of the sheriff. This is no different than if the Sheriff himself was wearing the uniform as he used the uniformed officers as representation of himself.

What impact does the alleged violation(s) have on the public?

Using the color of authority to influence voters. Voters may feel the uniform represents an unfair representation of the candidates credibility
