

Complaint Description

[Mcflyfish](#) (Sun, 28 Oct at 8:26 PM)

Voice recording made on October 26, 2018, and photos showing time and radio station.

What impact does the alleged violation(s) have on the public?

Michael Killian has run campaign ads on Jacob's radio for his re-election for Franklin County Clerk. When played, he does not state political party. I heard it on October 26, 2018, at 3:24 PM on 102.3 FM. This is in violation of published rules regarding Broadcast ads, videos, and online audio ads. I believe that Jacob's radio operates two radio stations, and that his ad has played on both stations approximately two weeks, multiple times a day. It is my understanding that political party affiliation has to be stated, and when we called PDC for information regarding requirements, we were told that political party had to be stated in radio ads.

List of attached evidence or contact information where evidence may be found.

Attached mp3 voice recording, and photo of station, and time just after ad played.

List of potential witnesses with contact information to reach them.
