Subject: RESPONSE: Killian, Michael: Alleged violation of RCW 42.17A.320 for failure to identify party preference in political advertising. (EY 18 Oct 18)

Description:

Dear PDC:

My radio ad stated: Paid for the Committee to re-elect Michael Killian Franklin County Clerk: The information on the PDC site is ambiguous. There were many TV and RADIO ads run on local TV and Radio by major parties that did not state party preference, i.e. Susan Hutchinson, Maria Cantwell, Jen Goulet, Mary Dye. This was the first election that this campaign ran any radio ads, we request Per [WAC 390-37-182](#), that the Public Disclosure Commission take into consideration as this is a first-time violation.

Thank you for your time,

Michael J. Killian
