File a Formal Complaint - Thrinley DiMarco

Thrinley (Tue, 30 Oct 2018 at 5:05 PM)

On October 16, 2018, Mr. Nicholas Power filed a Form C-4 with significant errors which have not been corrected. (See 100866703) This action violates 42.17A.235 and the rules of the Public Disclosure Commission.

The Form C4 shows an expenditure on 10/10/2018 to a vendor "WSDOT" on "91 Front Street South" in Friday Harbor for "postage" in the amount of \$2,185.00. At 91 Front Street South in Friday Harbor is the Washington State Ferries, not the post office. The name of the vendor, address, and purpose of the expense appear to be incorrect. It is not clear if the amount is also incorrect.

What impact does the alleged violation(s) have on the public?

The public interest is significant. The size of the expenditure is significant. This expenditure is approximately ten percent of the total amount expenditures to date. Without public information about the true nature of the expenditure at this late date in the election the public is unable to make informed decisions. Mr. Power has run a campaign based upon "transparency" yet any form of transparency requires a candidate be truthful and accurate in disclosures to the PDC as required by the statute.
