Failure to timely deposit monetary contributions

- 2.15 As noted above, RCW 42.17A.220 requires political committees to deposit monetary contributions into the designated bank account or depository, within five business days of receipt.
- 2.16 Based solely on the deposit dates listed on the C-3 reports and the Schedule A to C-4 reports, the Committee appeared to have timely deposited monetary contributions received during all of calendar year 2017.

Response from the Committee

- 2.17 On December 20, 2018, Jason Bennett with Argo Strategies submitted a letter to the PDC responding to the complaint filed against the Committee. **Exhibit #5.** Mr. Bennett stated that in March of 2018, “Argo Strategies was retained to assist UFCW 21 PAC in conducting a thorough evaluation of not only compliance filings but also the status of their books of account after it was discovered by senior UFCW 21 staff that there was a breakdown in their internal system of compliance reporting for their PAC's 2017 activity.”
- 2.18 Mr. Bennett stated that upon discovering the failure to file C-3 and C-4 reports for calendar year 2017, “UFCW 21 PAC took immediate action, including personnel action, and decided that in order to ensure that there would be no similar compliance errors in the future, the work of compliance would be outsourced to Argo Strategies. Thereafter, collectively, Argo Strategies and UFCW 21 PAC began the process of performing an internal audit and bringing the account into current filing status for the 2018 cycle.” He stated that Argo Strategies:
- Conducted a desktop audit of the 2018 calendar year and filed the missing 2018 C-3 and C-4 reports to bring the Committee “into current compliance.”
 - Began “the process of piecing together” the 2017 contribution and expenditure activities and reconciled the Online Reporting of Campaign Activities (ORCA) accounts “so that the bank statements and the ORCA file matched to the penny.
 - “Proactively filed each of the required reports in August 2018, two months before Mr. Morgan's complaint. The PAC acted in good faith when it identified an issue and acted promptly to fix the issue as quickly as possible.”
- 2.19 Mr. Bennett stated that the Committee has no prior PDC violations, and “since Argo Strategies was retained in March of 2018, the Committee has timely and accurately filed its C-3 and C-4 report.”

“It is our hope that the Commission will see that this was an isolated incident and recognize that UFCW 21 PAC has worked proactively to bring the PAC into full compliance. Finally, I have appreciated my close working relationship with the PDC and hope that my own efforts to communicate proactively when issues arise and seek guidance from the PDC consistently will be considered as this moves forward.”

Complaint Description

File a Formal Complaint - Glen Morgan

Glen Morgan reported (Mon, 29 Oct at 4:08 PM) via Portal **Meta**

To Whom it May Concern --

It has come to my attention that the United Food and Commercial Workers – Local 21 PAC (hereafter collectively referred to as “respondent”) has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**. Additionally, I have reason to believe that other violations of this chapter have occurred beyond what I have identified below.

1) Failure to file accurate, timely C3 and C4 reports, failure to timely deposit contributions. (Violation of RCW 42.17A.235, .220)

State law requires that candidates and committees file frequent, accurate, reports of contributions, expenditures, in-kind contributions, debt, pledges, and loans (C3s and C4s). The reports must be compliant with both state law and PDC regulations (**WAC 390**). State law also requires that contributions must be deposited within 5 business days of receipt. Unfortunately, the respondent has failed on numerous occasions to do this, including, but not limited to the late reports detailed in the attached exhibit. Additionally, the respondent has failed to report debt and properly break down/detail expenditures.

(Please See **Exhibit A: “Illegally late reported C3 & C4 reports”**)

Please note, this secretive PAC’s extremely late filings are a total of at least 4,189 days late and involve large sums of hidden cash which was kept from the public during the critical 30 day window through a variety of elections over the past few years, and in many cases these reports were submitted years after the elections were long past. This denied the public or the media any access to the truth about the funding or spending for this well-funded, very sophisticated big-money PAC

above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately.

Please don't hesitate to contact me if you need any additional information.

Please note the attached exhibit is provided in two different file formats for staff convenience.

Best Regards,

Glen Morgan

What impact does the alleged violation(s) have on the public?

It is important for the public to know the large dollar donations that are made by sophisticated PACs like this one, and the failure to properly report these large sums of money to the public is a serious violation of Washington State's campaign finance laws - in some cases these are major donations reported years after the fact.

List of attached evidence or contact information where evidence may be found.

A spreadsheet in two different file formats is attached for staff convenience. Please note that the PDC tracking # is referenced for each report

List of potential witnesses with contact information to reach them.

The officers and the treasurer are logical contacts

Complaint Certification:

I certify (or declare) under penalty of perjury under the laws of the State of Washington that information provided with this complaint is true and correct to the best of my knowledge and belief.

Public Disclosure Commission
PO Box 40908
Olympia, WA 98504

Dear Public Disclosure Commission:

Thank you for the opportunity to respond to the recent complaint (#42719) filed by Mr. Glen Morgan and for the opportunity to discuss this issue with PDC Compliance Officer Kurt Young at our recent December 3rd meeting in Olympia. As requested during the meeting, we are submitting additional information for your consideration.

In March of this year, Argo Strategies was retained to assist UFCW 21 PAC in conducting a thorough evaluation of not only compliance filings but also the status of their books of account after it was discovered by senior UFCW 21 staff that there was a breakdown in their internal system of compliance reporting for their PAC's 2017 activity. Upon discovery, UFCW 21 PAC took immediate action, including personnel action, and decided that in order to ensure that there would be no similar compliance errors in the future, the work of compliance would be outsourced to Argo Strategies. Thereafter, collectively, Argo Strategies and UFCW 21 PAC began the process of performing an internal audit and bringing the account into current filing status for the 2018 cycle.

We first conducted a desktop audit of the current filing period (CY 2018) and brought those accounts into current status. Then, we began the process of piecing together the CY 2017 reporting file and reconciling the accounts so that the bank statements and the ORCA file matched to the penny. After that process was completed, we proactively filed each of the required reports in August 2018, two months before Mr. Morgan's complaint. The PAC acted in good faith when it identified an issue and acted promptly to fix the issue as quickly as possible.

UFCW 21 PAC has not had previous violations with the PDC. Since Argo has been retained, the 2018 PAC reports have been filed timely and accurately as well. It is our hope that the Commission will see that this was an isolated incident and recognize that UFCW 21 PAC has worked proactively to bring the PAC into full compliance. Finally, I have appreciated my close working relationship with the PDC and hope that my own efforts to communicate proactively when issues arise and seek guidance from the PDC consistently will be considered as this moves forward.

We appreciate the willingness of the Public Disclosure Commission to consider these factors when entering into a stipulation agreement with the PAC.
