File a Formal Complaint - Glen Morgan

Glen Morgan (Mon, 29 Oct 2018 at 9:50 PM)

To Whom it May Concern --

It has come to my attention that the 41st Legislative District Democrats (hereafter collectively referred to as "respondent") has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**. Additionally, I have reason to believe that other violations of this chapter have occurred beyond what I have identified below.

1) Failure to file accurate, timely C3 and C4 reports, failure to timely deposit contributions. (Violation of RCW 42.17A.235, .220)

State law requires that candidates and committees file frequent, accurate, reports of contributions, expenditures, in-kind contributions, debt, pledges, and loans (C3s and C4s). The reports must be compliant with both state law and PDC regulations (**WAC 390**). State law also requires that contributions must be deposited within 5 business days of receipt. Unfortunately, the respondent has failed on numerous occasions to do this, including, but not limited to the late reports detailed in the attached exhibit. Additionally, the respondent has failed to report debt and properly break down/detail expenditures.

(Please See **Exhibit A: "Illegally late reported C3 & C4 reports"**)

Please note, this organization's extremely late filings are a total of **at least 2,959 days late**. This denied the public or the media any access to the truth about the funding or spending for this large political organization many times during recent elections.

The PDC should investigate the possibility that the respondent committed the above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately.

Please don't hesitate to contact me if you need any additional information.

Please note the attached exhibit is provided in two different file formats for staff convenience.

Best Regards,

Glen Morgan
