Public Disclosure Committee

Dear Public Disclosure Committee:

Janice Louthan placed an ad buy with our company, Jodesha Broadcasting on September 20th, 2018. The ad copy she approved did have the disclaimer included in the copy. Our production department was supposed to record the disclaimer and include in the copy. Unfortunately, this was missed and did not get done. This was a mistake on our part and not the candidate.

Sincerely,

Gabrielle Jordan
General Manager
