File a Formal Complaint - BRUCE V FEIN

[Bdoinker](#) reported (Sat, 3 Nov at 10:20 AM) via Portal Meta

I do not think it appropriate for an official running for office to send boxes of donuts to public schools for staff 4 days before the election. Each donut had Representative Caldier business card attached to it with a toothpick and the outside of the boxes also had her name stuck to it with a label. I do not know, but could imagine that several schools in the area also received the same "gift" 4 days prior to the election.

What impact does the alleged violation(s) have on the public?

I think the intent was to influence teachers to vote for Michelle caldier in the upcoming election by delivering several dozen donuts to public school employees at a public school during the work day.

List of attached evidence or contact information where evidence may be found.

Several staff members were present to see the donuts and an administrator called the school district office to get advice on how to handle the situation. The donuts were delivered to Harbor Ridge Middle School at 9010 Pentice Ave. NW, Gig Harbor, WA 98332

List of potential witnesses with contact information to reach them.

Multiple teachers and front office staff. 253 530 1900
