

First + foremost I fear for my family's safety and the safety of our family property for I am volunteering in a very hostile organization and even more so now that Mr Redon + co-conspirators have focused on me

To whom it may concern PDC #43018

I Anton P Cebx on Nov. 6 2018 went to main st Cle Elum Wa. To peacefully speak my peace in front of District 7 office I was wearing Wildland Fire fighting protective yellow shirt green pants, no patches or district 7 identification, nor was I representing district 7 For I have become embarrassed to be a member of this hostile organization. I was wearing my Christ hat, which I was representing him and my love for Christ. I was holding my sign vote no prop 1 "Deception"

The king of deception is satan and many people in this organization are using deception to deceive the voters. It is my duty to stand up for the truth as a tax payer in this District. As bad as they lost I would say the voters were well educated about the Kaos in district 7 I had no effect!!!!

Once again I fear for my familys safety  
and the safety of our familys property

I urge your enforcement investigation community to contact Mr Merit at MHC Associates (121 Tanglewood Ln, <sup>selah, wa 98942</sup>) for months they have been assasinating the health of Distriat 7's issues it may give you insight in whats going on and whus involved.

On monday Nov. 27 I met with the Newchelt + his H.R. I was give 30 days suspension and when I am finished with the pdc I will be drafting a leave of my Volunteering there, so I don't beleave you will ever here from me again.

I am also sending you a copy of a post card of hypocrisy of the leadership + co-conspiritors of District 7 and is not a complaint. I also asked for the same legal Assistance that pdc. #41108 + #41110 were given but was never granted just more hypocrisy by leadership of District 7.

Can be verified by Brian Snure (20682456)  
District 7 Attorney

I am sorry Mr Rusdon has drug you into his childish game to get even with people who stand

For The truth and waste more Tax money,

I will continue to pray that god will have mercy on those in government who continue to defy natures law or gods law against their fellow man, to enslave us under their commerce and control to further their evil agenda, in the end our actions have consequences, and we all have to meet our maker in the end.

# VOTE YES ON PROP 1

Without this levy the number of firefighters that are able to respond to 911 calls 24/7, 365 days a year will be reduced to ZERO

- In 2017 KCFD 7 ran nearly 1000 calls for service
- Prior to KCFD 7 hiring full time firefighters the district missed 29 calls do to low staffing
- Since hiring full time firefighters KCFD 7 has been able to handle 100% of the calls

## WHAT WILL THIS COST ME?

THE LAST TEN YEARS

THIS LEVY ENSURES

## WHAT DOES THIS MEAN

### FOR OUR VOLUNTEERS?

They are vital to our day to day

operations and a yes vote on prop 1  
will allow us to invest in volunteer  
recruitment and retention.

I would bet my paycheck that if any  
if you were broke down on the side of  
the road Eric would stop and help you.

I WOULD TRUST ERIC WITH MY LIFE

As PROFESSIONALS and ADULTS  
we all need to repent and start leading  
by example and always taking the moral  
high road, on and off the job. for the  
Community, our brothers and sisters, our  
children and grandchildren, because they are  
all watching + listening to what we say and  
do

So lets stop eating each other  
and come back together as the good small  
Community we are.

Because bad things are coming and we  
will need each other
