The Michael Peetoom 2018 campaign for Whatcom County Council had candidate signs posted on a stage at a 9/1-2/18 event, Birch Bay Discover Days event. See <https://birchbaywa.org/birch-bay-discover-days/>

According to the Birch Bay Chamber of Commerce there was a fee associated with posting signs on this stage. These campaign signs were on both sides of the stage during the two day event (see attached pictures). Nowhere in Michael Petoom's campaign contributions or expenditures is the cost of these signs being posted on the stage mentioned. There was an expenditure for a parade entry fee but this is separate from campaign signs being posted on the stage.
