Mr. Titus Ragins,

This office represents Rep. Matt Shea and writes in response to your correspondence of December 5, 2018 concerning a complaint by Aaron Jarvis.

It is difficult for me to discern precisely what expenditures the complaint concerns. That said, as a general matter expenses related to the radio program would be considered in furtherance of Representative Shea's re-election, are disclosed as such on the program, and would be a permissible use of surplus funds they advance a campaign for the same office as the contribution was originally received for. I also believe that matters in this complaint were already adjudicated in Thurston County Case No. No. 17-2-05729-34.

Please feel free to reach out directly if we need to provide additional information.

Thank you.

Best,

Mark
