Subject: Complaint regarding John Henry (2), PDC Case 44370

Dear Jason Raines:

The Public Disclosure Commission (PDC) has completed its review of the complaint you filed on December 18, 2018. Your complaint alleged that John Henry may have violated RCW 42.17A.710 for failure to accurately file a Personal Statement of Financial Affairs (F-1 report), certifying financial activities for calendar year 2017.

PDC staff reviewed your allegations; the applicable statutes, rules, and reporting requirements; the response provided by John Henry; and the applicable PDC reports filed by Respondent to determine whether the record supports a finding of one or more violations.

Based on staff’s review, we found the following:

- On April 14, 2018, John Henry attempted to timely file an F-1 report certifying financial activities for calendar year 2017, but inadvertently submitted a blank report.
- On November 16, 2018, John Henry submitted a paper F-1 report, but inadvertently reported financial activities for calendar year 2018, rather than 2017.
- On January 4, 2019, John Henry submitted a paper F-1 report certifying financial activities for calendar year 2017.
- On January 4, 2019, John Henry submitted an additional F-1 report certifying financial activities for calendar year 2018.

Based on these findings staff has determined that, in this instance, filing an F-1 report certifying the wrong reporting period does not amount to an actual violation warranting further investigation.

PDC staff is reminding John Henry about the importance of the accurate, complete, and timely disclosure of financial affairs, and the complete and correct submission of reports of financial affairs in the future, in accordance with PDC laws and rules.

Based on this information, the PDC finds that no further action is warranted and has dismissed this matter in accordance with RCW 42.17A.755(1).

If you have questions, you may contact Fox Blackhorn at 1-360-753-1980 toll-free at 1-877-601-2828, or by e-mail at [pdc@pdc.wa.gov](mailto:pdc@pdc.wa.gov).
