### File a Formal Complaint - Glen Morgan

Glen Morgan (Sat, 2 Feb 2019 at 10:32 PM)

To whom it may concern,

It has come to my attention that registered lobbyist Margaret Heldring, who lobbies for Grandmothers Against Gun Violence, and a large variety of other special interests in Olympia, has violated RCW 42.17A.

#### 1) Failure to submit recent photograph at time of registration (Violation of RCW 42.17A.605)

Heldring has been a registered lobbyist with the PDC for many years. She has been employed as a lobbyist since at least 2016. Heldring is fully aware of Washington State's campaign finance laws and the transparency reporting requirements for registered lobbyists, and Heldring is experienced enough to comply with them. There is no reason for this failure to comply with the law.

Feel free to contact me if you have any further questions on this.

Best Regards,

Glen Morgan

#### What impact does the alleged violation(s) have on the public?

The public, elected officials, and others have a right to know who is lobbying our elected officials on a regular basis. This is a requirement in the law. There should be some attempt by professionals paid to lobby our elected officials to at least follow the very simple rules outlined in RCW 42.17A

#### List of attached evidence or contact information where evidence may be found.

#### List of potential witnesses with contact information to reach them.
