Hi Tabatha,

Thank you for bringing this to my attention, and my apologies for missing the original email notification.

This statement in the complaint is not true:

Nonemacher has been a registered lobbyist with the PDC since 2007 and employed by the Washington Public Employees Association since at least 2016.

I have never been employed by the Washington Public Employees Association.

As for the lack of a photograph in the system, it is true that my electronic profile does not have a photograph. I had submitted a photo in the past when I originally registered as a lobbyist with this employer. At that time, I submitted my registration in hard copy form and incorrectly presumed that the photo would be carried over every time I renew my registration with the employer.

I understand my mistake, and will submit a photo today.

Thank you,

Darcy Nonemacher
