Dear Ms. Blacksmith:

Thank you for your e-mail dated February 6, 2019, informing me that a complaint was filed against me by Glen Morgan alleging that I improperly failed to submit a recent photograph for lobbyist registration. In point of fact, the PDC has had a photo of me on file at all times since I registered as a lobbyist in 2013. As of February 12, 2019, it has received a much more recent photograph of me (taken on Feb. 12, 2019). I trust that by submission of that photograph, I will have fully addressed this matter and that the PDC will dismiss Mr. Morgan's complaint as not warranting either further processing or the imposition of any sanction against me.

Sincerely,
