Please append my complaint #48709 vs David Prutzman with this screenshot posted today on Puyallup City Councilmember Jim Kastama's facebook page. As shown, Prutzman states that he has evidence that members of the Reachout Northwest/Reachout Washington had authorized his citywide initiative of January 2019.

"If" correct and truthful, the response of Dave McMullan from Reachout Northwest/Reachout Washington resulting in the closure of related complaint #44956, was false.

Joe Colombo if I didn't have permission I wouldn't have text messages and voices mails from those individuals regarding a collaborative involvement and I had full permission. Again you received your info from your "God" and you only go off accusations without getting the full story.

If you really cared you would come to ME and ask for my side, but you don't.

Instead of wanting to make Puyallup a better place you want to go on personal attacks trying to discredit someone without asking for all the facts.

Your one sided mission will... [See More](#)

David Prutzman I post against some of your claims on Facebook because they are false. And I'm not going to let that go unchecked. Stop playing the victim.

I have read the PDC complaint against you. It's on record by the Pierce
