Subject: Cancellation of Brief Enforcement Hearing re: Margo Powell Campaign in PDC Case No. 10-047

Ms. Reuwsaat,

This e-mail is in response to your conversations with PDC staff and a follow-up to the electronic message you sent to the PDC on Tuesday, January 19, 2010, regarding the Brief Enforcement Hearing for PDC Case No. 10-047 involving the 2009 Margo Powell Campaign.

The Brief Enforcement Hearing for PDC Case No. 10-047, has been cancelled. The hearing was cancelled due to the mitigating factors regarding the health issues you were experiencing that precluded you, as the treasurer for the 2009 Margo Powell campaign, from timely filing the 7-day Pre-General Election C-4 report electronically. Based on the information detailed in your e-mail, we are closing PDC Case No. 10-047 administratively.

Although we determined that the late filing of the 7-day Pre-General Election C-4 report did not rise to the level of enforcement action, we are cautioning the Margo Powell campaign to timely file all future reports of contribution and expenditure activities, should she decide to file as a candidate in the future. Please contact or forward this e-mail to Ms. Powell informing her of our decision.

Let me know if you or Ms. Powell have any questions.

Sincerely,

Kurt Young
PDC Compliance Officer
