Public Disclosure Commission

Mr. House,

Sorry about the delay in sending this e-mail to you.

I was under the impression this issue had already resolved, as you may have been. Thanks for filing the three Monthly Lobbyist Expense reports (PDC Form L-2) on May 21, 2010, bringing your L-2 reports up to date, and for terminating your lobbyist registration effective May 31, 2010 with the Boeing Company.

Based on the-mail below, the filing of the three L-2 reports for March , April and May of 2010, and the termination of your lobbyist registration, PDC staff has closed administratively PDC Case No. 10-066 involving Trent House.

Sincerely,

Kurt Young  
PDC Compliance Officer

**Subject:** April Registration and password information

Jennifer,

Couple of items.

First, I recently resigned my lobbying position at the Boeing Company effective May 13th. While at Boeing I had an office assistance who kept my personal information such as my PDC login info. I believe my ID is [REDACTED] however, I do not have the most current password. Could you please provide this to me. I need to file a report and cannot do so without this info and I was un able to reach my old office assistant this week.

Second, in the transition out of that job there was a miscommunication and my April L2 was not filed as usual. My sincerest apologies. As soon as I can log in, I will file my April L2 and the appropriate "terminating a job/client" paperwork. Thanks Trent
