Ms. Williams,

Sorry about the delay in sending this e-mail.

Thanks for your prompt attention in the filing of your missing L-2 reports, bringing your reports up to date, and the August 26, 2010 cover letter. Based on the mail below, the August 26th letter, and the filing of the L-2 reports showing no compensation, PDC staff has closed the investigation of PDC Case No. 11-014 involving Nicole Williams administratively.

Sincerely,

Kurt Young
PDC Compliance Officer

Dear Mr. Young,

I have received your letter notifying me that I have not filed my L-2 report for April 2010 and that a Brief Enforcement Hearing has been scheduled. I want to let you know how seriously I take this matter. I mistakenly thought I did not have to report if I did not do any lobbying or receive any compensation. I did not do any lobbying in April 2010. I work with Melanie Stewart but have not done any lobbying with her since March 2010. I have worked at two fundraising events at her home one in June and one in July, I was event staff and did not do any lobbying. I would still like to be registered and understand I must file an L-2 report every month even if I don't lobby or receive compensation.

I will be turning in all delinquent L-2 reports and my statement of understanding that was with the letter I received from your office as I would like to avoid the Brief Enforcement Hearing. I am truly sorry for my delinquency in this matter.

Sincerely,

Nicole Williams
