This letter is on response to an email you sent me on June 19, 2018, with assigned case number 36976.

It is my understanding that Michael Killian has accused Judge Bruce Spanner of allegedly paying my filing fee. While I know this is in fact completely false, and am providing documentation that it was paid out of my husband's and my personal checking account at GESA Credit Union. I am also providing the documentation regarding my signs. These again were paid out of our personal funds, and put on a Chase Bank credit card. Please see attached cancelled personal check, receipt from Victory Store, and receipt from Franklin County Elections Office.

I have also attached the L Form for both the filing fee, and sign purchase, showing both were classified as loans to the campaign.

The L form was completed, and after discovering that these items were not showing, my Treasurer contacted PDC for assistance.

On June 20th, Chip from PDC, walked our Treasurer through the process, because it wasn't showing on the PDC website. During that conversation, with Chip's assistance, we have amended the C4 report to show the signs and filing fee accurately within the report, and he verified that everything had uploaded to PDC.

If you require any further documentations or have further questions please feel free to contact me.
