

## **File a Formal Complaint - Opal Segers**

[Opalsemail](#) reported (Fri, 8 Jun at 7:37 PM) via Portal [Meta](#)

The party that Bob associates himself with is not listed on his political signs (ind,R,D etc) and Bob Bugert signs are illegally placed in the City of Leavenworth on a city side walk not on private property, I have pictures. Clearly no premission has been granted for multiple signs along City roads and highways as this is clearly not allowed..
