RE: Fwd: PDC - Homola, Angela: Alleged Violation of RCW 42.17A.235, .265, .205, .220, 320, .255 for failure to timely and accurately disclose contributions, expenditures, books of account, committee registration, and sponsor ID. (APR 2018)
PDC Case No. 34586 / SCBIL File No. 8013-002

Dear Mr. Ragins:

On behalf of Angela Homola, we are hereby responding to the allegations raised by Glen Morgan in the above-referenced matter.

Ms. Homola wanted to address each and every allegation herself; that letter, and supporting documentation, are attached to my letter here. However, I wish to emphasize (and summarize) for you the most crucial point to be made here: Mr. Morgan's claims are simply inaccurate. Each item he outlines is either no violation at all or, at *most*, a technical correction. Setting all rhetoric aside, there is no item cited in Mr. Morgan's complaint requiring further inquiry from the PDC. Therefore, all of Mr. Morgan's allegations should be dismissed as nothing more than frivolous and unfounded allegations.

The intent of RCW 42.17A "is not to trap or embarrass people when they make honest remediable errors." In his numerous allegations, as you will see in the attached, he failed to identify anything rising to the level of an actual violation of the law. There is nothing beyond a few remedial errors that occurred here, as explained in the attached, and each error or issue was immediately corrected upon its discovery. And at all times material to the facts of this case, Ms. Homola worked with the PDC to ensure complete compliance with the law.

In other words, Ms. Homola's actions here show a clear intent to comply with "maximum transparency to the public and voters so they may know who is funding political campaigns and how those campaigns spend their money." 2018 c 304 § 1. It simply cannot be said that Ms. Homola's actions "materially impact[ed] the public interest" in any way. RCW 42.17A.005(51).

These are clear examples of technical corrections, and they do not warrant further investigation or inquiry by the PDC.¹

Ultimately, none of the reports cited by Mr. Morgan in his complaint materially affected the public interest in transparency in elections. Further proceedings would simply not serve the purposes of this chapter. Therefore, each of Mr. Morgan's allegations in his Complaint should be dismissed outright.

With respect to Mr. Morgan's utterly unfounded claim that any of the above actions, if found to be violations of the law, were done with malice as contemplated by RCW 42.17A.750(2)(c): there has been absolutely no malicious action undertaken by Mrs. Homola. Alleging the mere "possibility" that violations have been committed—with the serious multiplier of allegations of malice—does not amount to sufficient grounds for the criminal prosecution that Mr. Morgan is seeking.

Finally, it bears mentioning that this latest complaint is yet another example of Mr. Morgan's targeted pursuit of people like Mrs. Homola, because of what he perceives of her political views and affiliations. This is his second complaint attempting to besmirch her name and standing in the community—previously going after her via the Island County Democratic Committee on different but likewise meritless charges. His actions, motivated by a discriminatory purpose against Democrats and Democratically-affiliated entities, violates the First Amendment-protected rights of Mrs. Homola and others in her situation.

We look forward to working with the PDC to resolve this matter. Please let us know if we can be of any further assistance.

Sincerely,

A handwritten signature in black ink, appearing to read "Laura Ewan", with a stylized flourish at the end.

Laura Ewan
Attorney for Angela Homola

¹ If the PDC disagrees, these cannot be viewed to be more than remedial violations, as they involved amounts totaling no more than the contribution limits set out under RCW 42.17A.405(2) per election; did not constitute material violations because they were inadvertent and minor or otherwise has been cured and, after consideration of all the circumstances, further proceedings would not serve the purposes of this chapter; they did not materially affect the public interest; and they involved a candidate or committee that substantially met the filing deadline for all other required reports within the immediately preceding twelve-month period. RCW 42.17A.005(45).

Dear Mr. Young,

Re: PDC Case No. 34586 – Glen Morgan Complaint – Angie Homola's Response

It has come to my attention that Mr. Glen Morgan asserts, via complaints filed with the Washington State Public Disclosure Commission (PDC), that I violated PDC requirements during my 2016 senate campaign. ***Exhibit's A1 & A2***

I find Mr. Morgan's claims to be unfounded, frivolous, harassing, and arbitrary and capricious. I take the public disclosure of campaign finances and records very seriously and believe, to the best of my knowledge and in good faith as evidenced by the efforts my treasurer and I took to document and report campaign finances, that I have upheld my statutory responsibilities under RCW 42.17A and WAC 390.

Washington's legislators promote government by the people and for the people. To that end, and prompted by voter initiative, tough transparency laws exist to enable citizens to view detailed campaign finance records, while simultaneously protecting those citizens who are willing to seek and serve in elected office from arbitrary and capricious attacks, slander, and harassment (RCW 42.17A.001 (11)). ***Exhibit A3¹***

Mr. Morgan has filed some 350 formal complaints against a broad number of Washington State Democratic County Parties, former candidates, current candidates, and incumbents with the obvious intent to castrate the Democratic Party and to cripple the State's Public Disclosure Commission, Attorney General's office, and judicial system.

Mr. Morgan's scheming and ruinous tactics serve to divide the people of Washington State and to discourage every day citizens from a desire to serve in elected office. If we condone this type of conduct, government by and for the people will be replaced with self-serving and corporate driven top down control and our democracy and freedoms will be lost.

I encourage you to carefully consider the complaints Mr. Morgan has lodged against me, and to scrutinize my campaign finance records. I am confident you will find that meticulous efforts were made to honor, disclose, amend, and report in compliance with Washington State statutes. **Based on the record, I ask you to dismiss Mr. Morgan's allegations as unfounded and frivolous.** Not doing so will invite future miscreants to cripple government and the Democratic process.

Sincerely,

Angie Homola

Morgan's PDC Case No. 34586

Mr. Morgan's opening statement:

"To Whom it May Concern –

It has come to my attention that Angela Homola, an Island County Commissioner, Angie Homola for People (PAC), its treasurer, its officers, and any parent or subsidiary organization associated with it (hereafter collectively referred to as "respondent") have habitually and willfully committed frequent and multiple violations of RCW 42.17A. Additionally, I have reason to believe that other violations of this chapter have occurred beyond what I have identified below."

Angie's Response

FALSE. Mr. Morgan falsely claims that I am an Island County Commissioner, I am not and was not when this complaint was filed. There was, and is, no parent or subsidiary organization under control or authority of my 2016 campaign. The statement that I "habitually and willfully, committed frequent and multiple violations of RCW 42.17A." is patently false, unfounded and harassing. These allegations are arbitrary and capricious. I believe I complied with state statute in good faith and with due-diligence (RCW 42.17A.235 10(d)). ***Exhibit A6***²

Morgan PDC Case No. 34586 Complaint 1

"Failure to file accurate, timely C3 and C4 reports, failure to timely deposit contributions. (Violation of RCW 42.17A.235, .220). See Glen Morgan's spread sheet "Exhibit A: Illegally late C3 & C4 Reports"

Angie's Response

FALSE: Morgan's claim that there were both late C4 reports and late bank deposits is blatantly false. All C4 reports and bank deposits were executed timely. Meticulous attention to reporting requirements was made in good faith and in the spirit of transparency and compliance.

During my 2016 campaign (197) C3 and C4 initial and amended reports were filed with the PDC (***Exhibit A7***). During the June to December reporting time frame at least (1) and up to (6) C3's were filed weekly totaling 56, and (25) C4's were reported.³

Mr. Morgan alleges 34 reporting violations (I refer to them here as allegations by number 1-34). After reviewing each of these 34 allegations with my former treasurer Kim Hallahan, we found 24 to be blatantly false. Of the ten worthy of review - there were (5) one-day late, (1) two-day late, and (1) six day late C3 reports, all within what is a common 10 day grace period for bill payments. These negligibly late reports were largely due to bank access and electronic filing challenges and in one case due to the extenuating circumstances of a family member needing emergency health care assistance.

The three other reporting inconsistencies were minor clerical errors that were addressed transparently and expeditiously. To put this into perspective – over the course of my campaign’s reporting period of approximately 11 months my treasurer entered over 900 contributions one at a time, by hand, into the PDC’s 3rd party ORCA database. The dollar amount of the (3) corrected reporting errors totaled \$553.02 less than .2% of the total dollar amount of the campaign’s donations, not including independent expenditures (including these would result in an even smaller number). *See my former treasurer’s explanations below.*

Reference

2. RCW 42.17A.235(10)(d) – It is not a violation of this section to submit an amended report within 21 days of filing an underlying report if:
 - (a) The report is accurately amended;
 - (b) The corrected report is filed more than thirty days before the election;
 - (c) The total aggregate dollar amount of the adjustment for the individual report is within three times the contribution limit per elections or two hundred dollars, whichever is greater; and
 - (d) The committee reported information that was available to it at the time of filing, or made a good-faith effort to do so, or if a refund or a contribution or expenditure is being reported.

File C-3 reports weekly on Mondays, *beginning with the first Monday in June of the election year.* Once this weekly filing of C-3 reports starts, do NOT also send copies of the C-3 reports with your C-4 reports.”

Hi Angie,

Here's what I see about four of the items you asked me to explain. The fifth one, item #24, I addressed in an email this morning. *[Angie added #24 here for ease of review]*.

Item #19, deposit 9/25, due 9/26, reported 10/2. This was five web contributions deposited by PayPal. I imagine that I first noticed the deposit on the PayPal website after 9/26, so (erroneously) believed I had until Oct 2 to submit the report. Intent on following the PDC rules, I would hound contributors for their employment and address information, waiting to file reports with missing details as long as possible to glean the most information I could before filing. ***Exhibit A8***

- *Angie* – The (5) PayPal deposits that occurred on Sep. 21st were not observed until Sep. 25th when the treasurer immediately transmitted them to the bank and thus made them available to the campaign. This is much like a check retrieved from a P.O. box that was date stamped prior to pick up. It is the date physically received (or electronically observed and downloaded) that initiates both deposit and reporting dates (2016 PDC Campaign Disclosure Instructions Pg. 35). **This is an electronic and clerical reporting correction and does not constitute a violation.**

Item #24, deposits 06/17, due 6/20, reported 6/20 According to the PDC, on 06/17 we also received a refund of \$13.02 from Skagit Valley Food Coop, for returning unused beverages from a campaign event. This was reported ("late") on July 7. Here's what I think happened. We **purchased** the beverages from SVFC on June 17. I believe the unused beverages were **returned** closer to July 7. I reported the original beverage purchase date instead of the beverage return date when reporting \$13.02 as "income." If you happen to have the debit card statements, you will be able to find the actual date that the beverages were returned, thus the actual date we "received" the \$13.02. It should be within the reporting time frame, but I suppose I could be dinged for reporting the wrong "receipt" date. ***Exhibit A9***

- *Angie* – The report date of June 17 was the item purchase date – not the return date when the \$13.02 "contribution" (reimbursement) was actually received – the report should have reflected the July 7 return date and thus compliant reporting date. **This clerical and timely correction was done with transparency and does not constitute a violation.**

Item #25, deposit 7/2, due 7/4, reported 7/7. Five checks that we received on June 27, I deposited on July 1 and reported on July 4. A check we received June 29 and another we received July 1, I deposited on July 2 and reported on July 7. On July 7, I also reported two deposits from July 5 and one deposit from July 7. While the first July 7th report was technically ~~three~~ *[two]* days past due *[4th of July holiday extension]*, it was reported with the intention of transparency and full disclosure to the public, and was reported within eight days of the campaign's receiving the contributions *[incl. the holiday]*. (Contributions are required to be deposited within five business days, essentially seven week days, of receipt. C3s, then can reasonably be expected to be reported within 13 days of receipt.) I was making frequent deposits and frequent reports in early July, following the spirit of the law, if not 100% accurately the letter.

- *Angie* - Not less than (6) C3 reports and amended reports were filed on 7 July, in spite of this exemplary due-diligence, one check was reported just six days late. **This good-faith reporting effort does not constitute a violation. Exhibits A5 & A7**

Item #26, deposit 6/22, due 6/27, reported 7/7. This was a check refunding numerous *[website host]* fees that had previously been erroneously charged to the campaign for administrative services. Originally I thought this administrative reimbursement was to be reported on the C4. I submitted the C3 as soon as I realized it actually should be reported as a cash receipt. **Exhibit A10**

- *Angie* – **This non-substantive interpretive error and transparently filed report does not constitute a violation.**

Item #28, deposit 6/2, due 6/6, reported 6/20. This was a \$10 contribution from Julia Glover, deposited electronically to our account by PayPal on June 2, along with the electronic web contributions from Price, Van Dyk, Gray, Rouser, and Landau that all were reported on the June 4th C3. The PDC rules stated that any contribution of \$25 or less could be reported, with no identifying information, in a group labeled "Small Contributions." On June 2, your campaign received \$65 in Small Contributions from four contributors. My June 4th C3 reported three June 2 bank deposits--two at the bank and one by PayPal--showing \$55 in Small Contributions from three contributors. When I later noticed that error (\$55 reported from three contributors, instead of the actual \$65 received from four contributors), taking care to follow the spirit of the law and maintain transparency, I reported the \$10 Small Contribution that I had inadvertently left out of the June 4 report. I now recognize that I should have amended the June 4th C3 instead of creating a new C3 on June 20. **Exhibit 11**

- *Angie* – The treasurer identified a math reporting error for a \$10.00 small donation. She corrected it by filing a new C3 rather than an amended C3 – The donation was reported - the requirement to provide transparency was met. **This correction does not constitute a violation.**

I hope this information answers your questions. Please let me know if I can provide further information.

Kim Hallahan

Morgan PDC Case No. 34586 Complaint 2

“Failure to report last minute contributions. (Violation of RCW 42.17A.265) On information and believe, respondent has failed to properly report last minute cash or in-kind contributions of \$1,000 or more.”

Angie’s Response

FALSE. Last Minute Contributions (LMC) were deposited and reported within 48 hours as required. When estimated last minute contributions were collected, an ‘Estimated’ LMC report was generated. When the exact dollar amount for these estimates was confirmed, a ‘Final’ LMC was generated. This occurred (4) times during my campaign. Glen Morgan is falsely claiming LMC’s were filed late. ***See Exhibit A12***, which includes Kim Hallahan’s correspondence with PDC staff member Jennifer Hansen.

“Illegal unauthorized expenditure of funds by an individual not listed as an officer on form C-1/C1-pc. (Violation of RCW 42.17A.425)”

Angie’s Response

FALSE. The C1 is accurate and there were no unauthorized fund expenditures. ***See Exhibit A14***

Morgan PDC Case No. 34586 Complaint 5

“Failure to preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred. (Violation of RCW 42.17A.235 (6)).”

Angie's Response

FALSE. Books were made available for public viewing as noted on form C1 with a phone number provided to schedule an appointment. While state law has now relaxed the records retention from 5 to 2 years per RCW 42.17A.235 (8), I intend to maintain my records for five years or for as long as is required by law. ***See Exhibit A15***

Morgan PDC Case No. 34586 Complaint 6

"Illegal depositing of campaign funds into bank account by person other than the treasurer or deputy treasurer. (Violation of RCW 42.17A.220 (1))"

Angie's Response

FALSE. No funds were deposited to the campaign bank account by other than the candidate or treasurer – electronic deposits via web portals were approved by same (RCW 42.17A.220). ***See Exhibit A16***

Morgan PDC Case No. 34586 Complaint 7

"Failure to include sponsor ID. (Violation of RCW 42.17A.320)"

Angie's Response

FALSE. Every piece of literature, ad, button, sign etc. generated from my campaign complied with statute RCW 42.17A.320. Ads are of odd shapes and sizes and are available for viewing or copying upon request by the PDC, by reference *Exhibit A17*.

Morgan PDC Case No. 34586 Complaint 8

"Failure to timely file form C6 reporting independent expenditure. (Violation of RCW 42.17A.255(2))"

"On information and belief, the respondent has failed to abide by this requirement. The PDC should investigate the possibility that the respondent committed the above violations maliciously, which would be a class C felony per RCW 42.17A.750 (2)(c). If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately.

Please don't hesitate to contact me if you need any additional information.

Please note the attached exhibit is provided in two different file formats for staff convenience.

Best Regards,
Glen Morgan"

Angie's Response

FALSE. Morgan grossly misconstrues state statute – C6 forms are filed by entities that make 'Independent Expenditures' and not by candidates (RCW 42.17A.255). ***See excerpt of***

PDC “Campaign Disclosure Instructions for State Executive and Legislative Candidates March 2016” - Exhibit A18

Morgan asserts: “The PDC should investigate the possibility that the respondent committed the above violations maliciously, which would be a class C felony per RCW 42.17A.750 (2)(c).”

This assertion is, in and of itself, malicious. Mr. Morgan should be brought on charges of slander and malfeasance for alleging unfounded, and arbitrary and capacious attacks.

Summary

It is evident that Mr. Morgan is usurping the scant resources of our understaffed state agencies by inundating them with a plethora of exaggerated complaints. Because Mr. Morgan’s complaints are lodged at Democrat’s and Democratic parties they are discriminatory and harassing.

I conducted my campaign with honesty and integrity and had the good fortune to have an exceptional treasurer who worked diligently and meticulously on good-faith to comply with the PDC reporting requirements. The eight complaints Mr. Morgan lodged against me are trivial. **I ask you to please dismiss these allegations as unfounded or frivolous.**

Thank you for your consideration and assistance,

(2) That the people have the right to expect from their elected representatives at all levels of government the utmost of integrity, honesty, and fairness in their dealings.

(3) That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest.

(4) That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people.

(5) That public confidence in government at all levels is essential and must be promoted by all possible means.

(6) That public confidence in government at all levels can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions.

(7) That the concept of attempting to increase financial participation of individual contributors in political campaigns is encouraged by the passage of the Revenue Act of 1971 by the Congress of the United States, and in consequence thereof, it is desirable to have implementing legislation at the state level.

(8) That the concepts of disclosure and limitation of election campaign financing are established by the passage of the Federal Election Campaign Act of 1971 by the Congress of the United States, and in consequence thereof it is desirable to have implementing legislation at the state level.

(9) That small contributions by individual contributors are to be encouraged, and that not requiring the reporting of small contributions may tend to encourage such contributions.

(10) That the public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

(11) That, mindful of the right of individuals to privacy and of the desirability of the efficient administration of government, full access to information concerning the conduct of government on every level must be assured as a fundamental and necessary precondition to the sound governance of a free society.

The provisions of this chapter shall be liberally construed to promote complete disclosure of all information respecting the financing of political campaigns and lobbying, and the financial affairs of elected officials and candidates, and full access to public records so as to assure continuing public confidence of fairness of elections and governmental processes, and so as to assure that the public interest will be fully protected. In promoting such complete disclosure, however, this chapter shall be enforced so as to insure that the information disclosed will not be misused for arbitrary and capricious purposes and to insure that all persons reporting under this chapter will be protected from harassment and unfounded allegations based on information they have freely disclosed.

ALLEGATION 1 PDC 34586 EXHIBIT A6

Reporting of contributions and expenditures—Public inspection of accounts (as amended by 2018 c 111). (Effective January 1, 2019.)

10F4

(1) In addition to the information required under RCW 42.17A.205 and 42.17A.210, on the day the treasurer is designated, each candidate or political committee must file with the commission a report of all contributions received and expenditures made prior to that date, if any. In addition to the information required under RCW 42.17A.205 and 42.17A.210, on the day an incidental committee files a statement of organization with the commission, each incidental committee must file with the commission a report of any election campaign expenditures under RCW 42.17A.240(6), as well as the source of the ten largest cumulative payments of ten thousand dollars or greater it received in the current calendar year from a single person, including any persons tied as the tenth largest source of payments it received, if any.

(2) Each treasurer of a candidate or political committee or incidental committee required to file a statement of organization under this chapter shall file with the commission a report containing the information required by RCW 42.17A.240 at the following intervals:

(a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held;

(b) On the tenth day of the first month after the election; and

(c) On the tenth day of each month in which no other reports are required to be filed under this section;

(i) For a political committee only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars; or

(ii) For an incidental committee, only if the committee has:

(A) Received a payment that would change the information required under RCW 42.17A.240(2)(c) as included in its last report; or

(B) Made any election campaign expenditure reportable under RCW 42.17A.240(6) since its last report, and the total election campaign expenditures made since the last report exceed two hundred dollars.

The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(3) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer for a candidate or a political committee shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for his or her records. In the event of deposits made by a deputy treasurer, the copy shall be forwarded to the treasurer for his or her records. Each report shall be certified as correct by the treasurer or deputy treasurer making the deposit.

(4)(a) The treasurer ~~((or))~~ for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the eight days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at the designated place for inspections between 8:00 a.m. and 8:00 p.m. on any day from the eighth day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within twenty-four hours of the time and day that is requested for the inspection.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification.

(5) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (4) of this section, at the principal headquarters or, if there is no headquarters, at the address of the treasurer or such other place as may be authorized by the commission.

20F4

(6) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred.

(7) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(8) When there is no outstanding debt or obligation, the campaign fund is closed, and the campaign is concluded in all respects or in the case of a political committee, the committee has ceased to function and has dissolved, the treasurer shall file a final report. Upon submitting a final report, the duties of the treasurer shall cease and there is no obligation to make any further reports.

(9) The commission must adopt rules for the dissolution of incidental committees.

Reporting of contributions and expenditures—Public inspection of accounts (as amended by 2018 c 304).

(1) In addition to the information required under RCW 42.17A.205 and 42.17A.210, ~~((on the day the treasurer is designated,))~~ each candidate or political committee must file with the commission a report of all contributions received and expenditures made ~~((prior to that date, if any))~~ as a political committee on the next reporting date pursuant to the timeline established in this section.

(2) Each treasurer shall file with the commission a report, for each election in which a candidate or political committee is participating, containing the information required by RCW 42.17A.240 at the following intervals:

(a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held; and

(b) On the tenth day of the first full month after the election ~~((; and))~~.

~~((c))~~ (3) Each treasurer shall file with the commission a report on the tenth day of each month ((;#)) during which ((no other reports are required to be filed under this section)) the candidate or political committee is not participating in an election campaign, only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(4) The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

~~((3))~~ (5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than

twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for his or her records. In the event of deposits made by ~~((a deputy treasurer))~~ candidates, political committee members, or paid staff other than the treasurer, the copy shall be ~~((forwarded))~~ immediately provided to the treasurer for his or her records. Each report shall be certified as correct by the treasurer ~~((or deputy treasurer making the deposit))~~. 3 of 4

~~((4))~~ (6)(a) The treasurer or candidate shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the ~~((eight))~~ ten calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at ~~((the designated))~~ a place agreed upon by both the treasurer and the requestor, for inspections between ~~((8:00))~~ 9:00 a.m. and ((8:00)) 5:00 p.m. on any day from the ~~((eighth))~~ tenth calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within ~~((twenty-four))~~ forty-eight hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

~~((5))~~ (7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection ~~((4))~~ (6) of this section ~~((at the principal headquarters or, if there is no headquarters, at the address of the treasurer or such other place as may be authorized by the commission))~~.

~~((6))~~ (8) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than ~~((five))~~ two calendar years following the year during which the transaction occurred or for any longer period as otherwise required by law.

~~((7))~~ (9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

~~((8))~~ (10) It is not a violation of this section to submit an amended report within twenty-one days of filing an underlying report if:

(a) The report is accurately amended;

(b) The corrected report is filed more than thirty days before an election;

(c) The total aggregate dollar amount of the adjustment for the individual report is within three times the contribution limit per election or two hundred dollars, whichever is greater; and

(d) The committee reported all information that was available to it at the time of filing, or made a good-faith effort to do so, or if a refund of a contribution or expenditure is being reported.

(11)(a) When there is no outstanding debt or obligation, the campaign fund is closed, ~~((and))~~ the campaign is concluded in all respects ~~((or in the case of a political committee)),~~ and the committee has ceased to function and ((has dissolved)) intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the committee must file notice of intent to dissolve with the commission and the commission must post the notice on its web site.

(b) Any committee may dissolve sixty days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this chapter after filing such notice;

(ii) No complaint or court action under this chapter is pending against the political committee; and

(iii) All penalties assessed by the commission or court order are paid by the political committee.

NOTES:

Reviser's note: RCW 42.17A.235 was amended twice during the 2018 legislative session, each without reference to the other. For rule of construction concerning sections amended more than once during the same legislative session, see RCW 1.12.025.

Finding—Intent—2018 c 304: "The legislature finds that state campaign finance laws are intended to provide maximum transparency to the public and voters so they may know who is funding political campaigns and how those campaigns spend their money. Additionally, our campaign finance laws should not be so complex and complicated that volunteers and newcomers to the political process cannot understand the rules or have difficulty following them. The legislature believes that our campaign finance laws should not be a barrier to participating in the political process, but instead encourage people to participate in the process by ensuring a level playing field and a predictable enforcement mechanism. The legislature intends to simplify the political reporting and enforcement process without sacrificing transparency and the public's right to know who funds political campaigns. The legislature also intends to expedite the public disclosure commission's enforcement procedures so that remedial campaign finance violations can be dealt with administratively."

The intent of the law is not to trap or embarrass people when they make honest remediable errors. A majority of smaller campaigns are volunteer-driven and most treasurers are not professional accountants. The public disclosure commission should be guided to review and address major violations, intentional violations, and violations that could change the outcome of an election or materially affect the public interest." COMPLAINT #2
PDC 34586 EXHIBIT A 12

1 of 14

Deposit of contributions—Investment—Unidentified contributions.

(1) All monetary contributions received by a candidate or political committee shall be deposited by candidates, political committee members, paid staff, or treasurers in a depository in an account established and designated for that purpose. Such deposits shall be made within five business days of receipt of the contribution. For online or credit card contributions, the contribution is considered received at the time the transfer is made from the merchant account to a candidate or political committee account, except that a contribution made to a candidate who is a state official or legislator outside the restriction period established in RCW 42.17A.560, but transferred to the candidate's account within the restricted period, is considered received outside of the restriction period.

(2) Political committees that support or oppose more than one candidate or ballot proposition, or exist for more than one purpose, may maintain multiple separate bank accounts within the same designated depository for such purpose only if:

- (a) Each such account bears the same name;
- (b) Each such account is followed by an appropriate designation that accurately identifies its separate purpose; and
- (c) Transfers of funds that must be reported under RCW 42.17A.240(5) are not made from more than one such account.

(3) Nothing in this section prohibits a candidate or political committee from investing funds on hand in a depository in bonds, certificates, or tax-exempt securities, or in savings accounts or other similar instruments in financial institutions, or in mutual funds other than the depository but only if:

- (a) The commission is notified in writing of the initiation and the termination of the investment; and
- (b) The principal of such investment, when terminated together with all interest, dividends, and income derived from the investment, is deposited in the depository in the account from which the investment was made and properly reported to the commission before any further disposition or expenditure.

(4) Accumulated unidentified contributions, other than those made by persons whose names must be maintained on a separate and private list by a political committee's treasurer pursuant to RCW 42.17A.240(2), in excess of one percent of the total accumulated contributions received in the current calendar year, or three hundred dollars, whichever is more, may not be deposited, used, or expended, but shall be returned to the donor if his or her identity can be ascertained. If the donor cannot be ascertained, the contribution shall escheat to the state and shall be paid to the state treasurer for deposit in the state general fund.

<angieforpeoplemanager@gmail.com>

Hi Angie,

I just noticed that the PAC donation you received on July 25 is for \$1000. Thank goodness we're still within 48 hours of receipt. From July 25 until the Primary, we are required to submit a special Last Minute Contribution Report within 48 hours of receipt for any contributions of \$1000 or more. Here is the link to the special report, in case you get another one while I'm in Wisconsin:
<http://web.pdc.wa.gov/lmcapp/lmc/create>

I am reporting the SEIU Healthcare PAC donation using the special on-line report right now.

Sincerely,
Kim

Hi Angie,
This shows that I was fully aware of the requirement for the General Election, as well as the Primary. I expect I filed all the reports as required, and on time. I'm sorry I don't see receipts at the moment for some of them.

Hi Angie and Sara,

Below, I have highlighted important things for us to be aware of. I expect to be filing a lot of special 48-hour reports this time around. Also, be aware, I am committed to remaining in Oak Harbor October 31-Nov 8. I will be on hand for any required viewing of the campaign documents, and Bob and I will attend whatever campaign day event you go to.

Please see my highlights and notes below.

Thank you,
Kim

Subject: PDC Filing Reminder - Special Filing Beginning October 18

To:

A filing reminder from the PDC for 2016 candidates and their treasurers:

Cash Receipts (C-3) reports are due weekly on Mondays. This means that any deposit(s) you made between October 3 and October 9 need to be reported no later than Tuesday*, October 11th. (*Reporting due dates that fall on weekends or holidays are due the next business day.) Any deposits made between October 10 and October 16 need to be reported no later than Monday, October 17th.

Filing before the deadline is OK – just don't miss the deadline. No deposits? Then you don't have to file the C-3.

SPECIAL NOTE REGARDING C-4: If the candidate's name will appear on the general ballot you are required to file the 21-day pre-general C-4 report. This report is due Tuesday, October 18th and covers activity from September 1 to October 17. This form is required to be filed even if you have zero activity.

Most candidates have contribution limits of \$1,000 per election or \$2,000 per election. These limits do not apply to a candidates own funds being donated to their own campaign or to a contribution from a bona fide political party committee or caucus so long as the contributions are received more than 21 days from the general election. On October 18th the only contributors that can give more than \$50,000 in the aggregate to a candidate for statewide office or over \$5,000 in the aggregate to a candidate for any other office is the state committee of the Washington State Democratic, Republican or Libertarian or a minor party.

The PDC staff wants to make sure that each candidate who will be on the general ballot is aware of the campaign requirements coming up next week:

DATE	ACTIVITY
October 18	C-4 due – this report covers the period September 1 thru October 17.
October 18 – November 7	Report within 48 hours of receiving of \$1,000 or more in the aggregate from a single source during this 21-day period. (Only contributions – monetary and in-kind – received during the 21-day period are counted for the purpose of this special report.) Two things in particular I notice about this: (1) it says 'in the aggregate,' so I anticipate many donations during this period to apply, and (2) it also applies to in-kind donations, which we are likely to have during that time, as well, considering offers made by the Washington Senate Democrats.

Satisfy the 48-hour reporting requirement by EITHER:

- Filing a C-3 report that is submitted/delivered to the PDC within

the 48-hour deadline OR

- Filing a "last minute contribution" report. Before October 18, the PDC staff will make an LMC e-filing application available on its homepage, www.pdc.wa.gov, in the Filer Quick Links section. You can also use the link in ORCA to electronically submit the LMC.

Mailed reports are filed when they are postmarked; electronically filed reports are filed when they are transmitted. E-filed reports can be submitted 24 hours a day.

However, the county central committee of a party may give \$.50 times the number of registered voters in the candidate's district (in conjunction with the legislative district committee) at any time during the election cycle. See Contribution Limits section for more details on limits.

Filling Out the C-1 Statement

Please type or print clearly using black ink when completing the C-1. (The reports are scanned into a document imaging system, and black reproduces clearly.)

State the candidate's first name, middle initial, and last name (as it will appear on the ballot). For example, John A. "Jack" Jones or Margaret C. "Maggie" Smith.

Identify the name of the candidate's authorized committee. For example, Jones for Senate Committee.

Show the campaign's full mailing address, including the nine digit zip, if known. At a minimum, give the first five digits of the zip code.

Item No. Description of Entry

- 1 ✓ Show the office being sought, the district and position numbers and indicate whether the candidate currently holds the office being sought.
- 2 ✓ Specify the candidate's political party preference.
- 3 ✓ Give the date of the relevant general or special election.
- 4 ✓ Choose a reporting option after carefully noting the limitations that apply to mini reporting. **Do not choose mini reporting unless the candidate intends to stay within the monetary limits during the entire election cycle.**
- 5 ✓ Identify the campaign's treasurer, the person who will be responsible for receiving contributions, making expenditures and keeping accurate, detailed records. A candidate may be his or her own treasurer. (Candidates are ultimately responsible for the accuracy of their records and reports.) Include the treasurer's daytime telephone number. **Do NOT use the telephone number of a government office.**
- 6 N/A
NO SUCH PERSON ON CAMPAIGN List the name, address and title of any person who performs only ministerial functions for your campaign and another candidate or political committee. Ministerial functions are activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills, and maintain campaign finance records.
- 7
NO ONE ON CAMPAIGN MADE SUCH DECISIONS - OTHER THAN CANDIDATE & TREASURER List the name, address and title of your campaign officers (e.g., chairperson, vice-chair, manager, coordinator and other key people). By definition in rule, "officer" includes anyone designated by the campaign as an officer and any person who alone or in conjunction with other persons makes contribution, expenditure, strategic or policy decisions on behalf of the campaign.
- 8 Name the financial institution where your campaign account is kept, along with the branch office location and city.
- 9 If the candidate is affiliated with any joint fund raising committee or a committee organized to support a slate of candidates, give the name and address of the committee(s) and state the relationship.
- 10 During the eight days before each primary, general or special election in which the candidate is on the ballot or running as a write-in candidate, campaign books of account must be open for public inspection by appointment. Supply the street address and city for where your records may be examined and provide contact information for arranging appointments.
- 11 The Registration is not considered filed unless signed by the candidate.

Please consult PDC instruction manuals when completing this report.
Reporting requirements are contained in and governed by RCW 42.17A and
WAC 390.

EXHIBIT A 13

C1 <small>(1/12)</small>	CANDIDATE REGISTRATION
------------------------------------	-----------------------------------

Who Must File – Candidates who seek:

- state office (legislative or statewide executive),
- a state supreme court or state court of appeals position,
- local office in jurisdictions having 5,000 or more registered voters as of the last general election or in jurisdictions covering an entire county,
- local office in jurisdictions of any size if the candidate receives or expects to receive \$5,000 or more in contributions.

When To File – Within 2 weeks of becoming a candidate. A person becomes a candidate for PDC purposes when he or she first does any of the following:

- receives contributions, makes expenditures, or reserves space or facilities with intent to promote his or her candidacy;
- purchases commercial advertising space or broadcast time to promote his or her candidacy;
- authorizes another person to take one of these above actions on his or her behalf;
- announces publicly that he or she is seeking office; or
- files a declaration of candidacy with the appropriate elections official.

File an amended registration within 10 days of a material change to information provided on previously filed C-1. Reports are considered filed as of the postmark date or date hand-delivered to PDC.

Where To File – Send the **original to PDC** at the address on the reverse side. Candidates for city offices are advised to contact their City Clerk to learn if local filing is required by local ordinance. Keep a copy for the campaign's records.

“Officer” of a Candidate’s Committee – Officer of a candidate’s committee includes the following persons:

- any person designated as an officer on the C-1 registration statement, and
- any person who alone or in conjunction with other persons makes, directs, or authorizes contribution, expenditure, strategic or policy decisions on behalf of the committee. [WAC 390-05-245]

Persons who perform “Ministerial Functions” for two or more campaigns

A person may perform ministerial functions for a candidate and a political committee without jeopardizing that political committee’s eligibility to make independent expenditures or electioneering communications regarding that candidate as long as:

- the person performs solely ministerial functions for both the candidate and the political committee;
- the person is identified on both the candidate’s and political committee’s registration statements as a person performing ministerial functions for the campaign; and
- the person does not share information from or about one of the campaigns with the other campaign, or does not use information from or about one of the campaigns to assist the other campaign. [See RCW 42.17A.005 (13)(b)(ix) and WAC 390-05-243 for more detailed information.]

“Ministerial functions” means activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. RCW 42.17A.005(33). Also see WAC 390-05-243 for a non-exclusive list of ministerial functions and a definition of administrative office. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills and maintain campaign finance records. However, if a person performs functions for both a candidate and a political committee and those functions for one or both campaigns entail duties beyond those deemed ministerial, any expenditure by the committee benefiting the candidate may be a contribution, rather than an independent expenditure or electioneering communication. [RCW 42.17A.005(33) and WACs 390-05-243 and 390-05-210]

 Reporting of contributions and expenditures—Public inspection of accounts (as amended by
 2018 c 111). (Effective January 1, 2019.) DURING CAMPAIGN & CONTINUE TO BE
 MAINTAINED PER STATUTE

(1) In addition to the information required under RCW 42.17A.205 and 42.17A.210, on the day the treasurer is designated, each candidate or political committee must file with the commission a report of all contributions received and expenditures made prior to that date, if any. In addition to the information required under RCW 42.17A.205 and 42.17A.210, on the day an incidental committee files a statement of organization with the commission, each incidental committee must file with the commission a report of any election campaign expenditures under RCW 42.17A.240(6), as well as the source of the ten largest cumulative payments of ten thousand dollars or greater it received in the current calendar year from a single person, including any persons tied as the tenth largest source of payments it received, if any.

(2) Each treasurer of a candidate or political committee or incidental committee required to file a statement of organization under this chapter shall file with the commission a report containing the information required by RCW 42.17A.240 at the following intervals:

- (a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held;
- (b) On the tenth day of the first month after the election; and
- (c) On the tenth day of each month in which no other reports are required to be filed under this section;
- (i) For a political committee only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars; or
- (ii) For an incidental committee, only if the committee has:
- (A) Received a payment that would change the information required under RCW 42.17A.240(2)(c) as included in its last report; or

(B) Made any election campaign expenditure reportable under RCW 42.17A.240(6) since its last report, and the total election campaign expenditures made since the last report exceed two hundred dollars.

The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

(3) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer for a candidate or a political committee shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for his or her records. In the event of deposits made by a deputy treasurer, the copy shall be forwarded to the treasurer for his or her records. Each report shall be certified as correct by the treasurer or deputy treasurer making the deposit.

(4)(a) The treasurer ((or)) for a candidate or a political committee shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the eight days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the political committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at the designated place for inspections between 8:00 a.m. and 8:00 p.m. on any day from the eighth day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within twenty-four hours of the time and day that is requested for the inspection.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification.

(5) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection (4) of this section, at the principal headquarters or, if there is no headquarters, at the address of the treasurer or such other place as may be authorized by the commission.

(6) The treasurer or candidate shall preserve books of account, bills, receipts, and all other financial records of the campaign or political committee for not less than five calendar years following the year during which the transaction occurred.

(7) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

(8) When there is no outstanding debt or obligation, the campaign fund is closed, and the campaign is concluded in all respects or in the case of a political committee, the committee has ceased to function and has dissolved, the treasurer shall file a final report. Upon submitting a final report, the duties of the treasurer shall cease and there is no obligation to make any further reports.

(9) The commission must adopt rules for the dissolution of incidental committees.

(1) In addition to the information required under RCW 42.17A.205 and 42.17A.210, ~~((on the day the treasurer is designated,))~~ each candidate or political committee must file with the commission a report of all contributions received and expenditures made ~~((prior to that date, if any))~~ as a political committee on the next reporting date pursuant to the timeline established in this section.

(2) Each treasurer shall file with the commission a report, for each election in which a candidate or political committee is participating, containing the information required by RCW 42.17A.240 at the following intervals:

(a) On the twenty-first day and the seventh day immediately preceding the date on which the election is held; and

(b) On the tenth day of the first full month after the election ~~((; and))~~.

~~((c))~~ (3) Each treasurer shall file with the commission a report on the tenth day of each month ((; and)) during which ((no other reports are required to be filed under this section)) the candidate or political committee is not participating in an election campaign, only if the committee has received a contribution or made an expenditure in the preceding calendar month and either the total contributions received or total expenditures made since the last such report exceed two hundred dollars.

(4) The report filed twenty-one days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. The report filed seven days before the election shall report all contributions received and expenditures made as of the end of one business day before the date of the report. Reports filed on the tenth day of the month shall report all contributions received and expenditures made from the closing date of the last report filed through the last day of the month preceding the date of the current report.

~~((3))~~ (5) For the period beginning the first day of the fourth month preceding the date of the special election, or for the period beginning the first day of the fifth month before the date of the general election, and ending on the date of that special or general election, each Monday the treasurer shall file with the commission a report of each bank deposit made during the previous seven calendar days. The report shall contain the name of each person contributing the funds and the amount contributed by each person. However, persons who contribute no more than

twenty-five dollars in the aggregate are not required to be identified in the report. A copy of the report shall be retained by the treasurer for his or her records. In the event of deposits made by ~~((a deputy treasurer))~~ candidates, political committee members, or paid staff other than the treasurer, the copy shall be ~~((forwarded))~~ immediately provided to the treasurer for his or her records. Each report shall be certified as correct by the treasurer ~~((or deputy treasurer making the deposit))~~. 3 or 7

~~((4))~~ (6)(a) The treasurer or candidate shall maintain books of account accurately reflecting all contributions and expenditures on a current basis within five business days of receipt or expenditure. During the ~~((eight))~~ ten calendar days immediately preceding the date of the election the books of account shall be kept current within one business day. As specified in the committee's statement of organization filed under RCW 42.17A.205, the books of account must be open for public inspection by appointment at ~~((the designated))~~ a place agreed upon by both the treasurer and the requestor, for inspections between ~~((8:00))~~ 9:00 a.m. and ~~((8:00))~~ 5:00 p.m. on any day from the ~~((eighth))~~ tenth calendar day immediately before the election through the day immediately before the election, other than Saturday, Sunday, or a legal holiday. It is a violation of this chapter for a candidate or political committee to refuse to allow and keep an appointment for an inspection to be conducted during these authorized times and days. The appointment must be allowed at an authorized time and day for such inspections that is within ~~((twenty-four))~~ forty-eight hours of the time and day that is requested for the inspection. The treasurer may provide digital access or copies of the books of account in lieu of scheduling an appointment at a designated place for inspection.

(b) At the time of making the appointment, a person wishing to inspect the books of account must provide the treasurer the name and telephone number of the person wishing to inspect the books of account. The person inspecting the books of account must show photo identification before the inspection begins.

(c) A treasurer may refuse to show the books of account to any person who does not make an appointment or provide the required identification. The commission may issue limited rules to modify the requirements set forth in this section in consideration of other technology and best practices.

~~((5))~~ (7) Copies of all reports filed pursuant to this section shall be readily available for public inspection by appointment, pursuant to subsection ~~((4))~~ (6) of this section ~~((, at the principal headquarters or, if there is no headquarters, at the address of the treasurer or such other place as may be authorized by the commission))~~.

~~((7))~~ (9) All reports filed pursuant to subsection (1) or (2) of this section shall be certified as correct by the candidate and the treasurer.

~~((8))~~ (10) It is not a violation of this section to submit an amended report within twenty-one days of filing an underlying report if:

(a) The report is accurately amended;

(b) The corrected report is filed more than thirty days before an election;

(11)(a) When there is no outstanding debt or obligation, the campaign fund is closed, ~~((and))~~ the campaign is concluded in all respects ~~((or in the case of a political committee)),~~ and the committee has ceased to function and ~~((has dissolved))~~ intends to dissolve, the treasurer shall file a final report. Upon submitting a final report, the committee must file notice of intent to dissolve with the commission and the commission must post the notice on its web site.

(b) Any committee may dissolve sixty days after it files its notice to dissolve, only if:

(i) The political committee does not make any expenditures other than those related to the dissolution process or engage in any political activity or any other activities that generate additional reporting requirements under this chapter after filing such notice;

(ii) No complaint or court action under this chapter is pending against the political committee; and

(iii) All penalties assessed by the commission or court order are paid by the political committee.

(c) The political committee must continue to report regularly as required under this chapter until all the conditions under (b) of this subsection are resolved.

(d) The treasurer may not close the political committee's bank account before the political committee has dissolved.

(e) Upon dissolution, the commission must issue an acknowledgment of dissolution, the duties of the treasurer shall cease, and there ~~((is))~~ shall be no further obligations ~~((to make any further reports))~~ under this chapter.

NOTES:

Reviser's note: RCW 42.17A.235 was amended twice during the 2018 legislative session, each without reference to the other. For rule of construction concerning sections amended more than once during the same legislative session, see RCW 1.12.025.

Finding—Intent—2018 c 304: "The legislature finds that state campaign finance laws are intended to provide maximum transparency to the public and voters so they may know who is funding political campaigns and how those campaigns spend their money. Additionally, our campaign finance laws should not be so complex and complicated that volunteers and newcomers to the political process cannot understand the rules or have difficulty following them. The legislature believes that our campaign finance laws should not be a barrier to participating in the political process, but instead encourage people to participate in the process by ensuring a level playing field and a predictable enforcement mechanism. The legislature intends to simplify the political reporting and enforcement process without sacrificing transparency and the public's right to know who funds political campaigns. The legislature also intends to expedite the public disclosure commission's enforcement procedures so that remedial campaign finance violations can be dealt with administratively."

The intent of the law is not to trap or embarrass people when they make honest remediable errors. A majority of smaller campaigns are volunteer-driven and most treasurers are not professional accountants. The public disclosure commission should be guided to review and address major violations, intentional violations, and violations that could change the outcome of an election or materially affect the public interest." [2018 c 304 § 1.]

EXHIBIT A 15

C1 (1/12)	CANDIDATE REGISTRATION 70F7
---------------------	--

Who Must File – Candidates who seek:

- state office (legislative or statewide executive),
- a state supreme court or state court of appeals position,
- local office in jurisdictions having 5,000 or more registered voters as of the last general election or in jurisdictions covering an entire county,
- local office in jurisdictions of any size if the candidate receives or expects to receive \$5,000 or more in contributions.

When To File – Within 2 weeks of becoming a candidate. A person becomes a candidate for PDC purposes when he or she **first** does any of the following:

- receives contributions, makes expenditures, or reserves space or facilities with intent to promote his or her candidacy;
- purchases commercial advertising space or broadcast time to promote his or her candidacy;
- authorizes another person to take one of these above actions on his or her behalf;
- announces publicly that he or she is seeking office; or
- files a declaration of candidacy with the appropriate elections official.

File an amended registration within 10 days of a material change to information provided on previously filed C-1. Reports are considered filed as of the postmark date or date hand-delivered to PDC.

Where To File – Send the original to PDC at the address on the reverse side. Candidates for city offices are advised to contact their City Clerk to learn if local filing is required by local ordinance. Keep a copy for the campaign's records.

“Officer” of a Candidate’s Committee – Officer of a candidate’s committee includes the following persons:

- any person designated as an officer on the C-1 registration statement, and
- any person who alone or in conjunction with other persons makes, directs, or authorizes contribution, expenditure, strategic or policy decisions on behalf of the committee. [WAC 390-05-245]

Persons who perform “Ministerial Functions” for two or more campaigns

A person may perform ministerial functions for a candidate and a political committee without jeopardizing that political committee’s eligibility to make independent expenditures or electioneering communications regarding that candidate as long as:

- the person performs solely ministerial functions for both the candidate and the political committee;
- the person is identified on both the candidate’s and political committee’s registration statements as a person performing ministerial functions for the campaign; and
- the person does not share information from or about one of the campaigns with the other campaign, or does not use information from or about one of the campaigns to assist the other campaign. [See RCW 42.17A.005 (13)(b)(ix) and WAC 390-05-243 for more detailed information.]

“Ministerial functions” means activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. RCW 42.17A.005(33). Also see WAC 390-05-243 for a non-exclusive list of ministerial functions and a definition of administrative office. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills and maintain campaign finance records. However, if a person performs functions for both a candidate and a political committee and those functions for one or both campaigns entail duties beyond those deemed ministerial, any expenditure by the committee benefiting the candidate may be a contribution, rather than an independent expenditure or electioneering communication. [RCW 42.17A.005(33) and WACs 390-05-243 and 390-05-210]

Such deposits shall be made within five business days of receipt of the contribution. For online or credit card contributions, the contribution is considered received at the time the transfer is made from the merchant account to a candidate or political committee account, except that a contribution made to a candidate who is a state official or legislator outside the restriction period established in RCW 42.17A.560, but transferred to the candidate's account within the restricted period, is considered received outside of the restriction period.

- (a) Each such account bears the same name;
- (b) Each such account is followed by an appropriate designation that accurately identifies its separate purpose; and
- (c) Transfers of funds that must be reported under RCW 42.17A.240(5) are not made from more than one such account.

All radio and television political advertising, whether relating to candidates or ballot propositions, shall include the sponsor's name. The use of an assumed name for the sponsor of electioneering communications, independent expenditures, or political advertising shall be unlawful. For partisan office, if a candidate has expressed a party or independent preference on the declaration of candidacy, that party or independent designation shall be clearly identified in electioneering communications, independent expenditures, or political advertising.

(2) In addition to the information required by subsection (1) of this section, except as specifically addressed in subsections (4) and (5) of this section, all political advertising undertaken as an independent expenditure or an electioneering communication by a person or entity other than a bona fide political party must include as part of the communication:

(a) The statement: "No candidate authorized this ad. It is paid for by (name, address, city, state)";

(b) If the sponsor is a political committee, the statement: "Top Five Contributors," followed by a listing of the names of the five persons or entities making the largest contributions in excess of seven hundred dollars reportable under this chapter during the twelve-month period before the date of the advertisement or communication; and

(c) If the sponsor is a political committee established, maintained, or controlled directly, or indirectly through the formation of one or more political committees, by an individual, corporation, union, association, or other entity, the full name of that individual or entity.

(3) The information required by subsections (1) and (2) of this section shall:

(a) Appear on the first page or fold of the written advertisement or communication in at least ten-point type, or in type at least ten percent of the largest size type used in a written advertisement or communication directed at more than one voter, such as a billboard or poster, whichever is larger;

(b) Not be subject to the half-tone or screening process; and

(c) Be set apart from any other printed matter.

(4) In an independent expenditure or electioneering communication transmitted via television or other medium that includes a visual image, the following statement must either be clearly spoken, or appear in print and be visible for at least four seconds, appear in letters greater than four percent of the visual screen height, and have a reasonable color contrast with the background: "No candidate authorized this ad. Paid for by (name, city, state)." If the advertisement or communication is undertaken by a nonindividual other than a party organization, then the following notation must also be included: "Top Five Contributors" followed by a listing of the names of the five persons or entities making the largest contributions in excess of seven hundred dollars reportable under this chapter during the twelve-month period preceding the date on which the advertisement is initially published or otherwise presented to the public. Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(5) The following statement shall be clearly spoken in an independent expenditure or electioneering communication transmitted by a method that does not include a visual image: "No candidate authorized this ad. Paid for by (name, city, state)." If the independent expenditure or

electioneering communication is undertaken by a nonindividual other than a party organization, then the following statement must also be included: "Top Five Contributors" followed by a listing of the names of the five persons or entities making the largest contributions in excess of seven hundred dollars reportable under this chapter during the twelve-month period preceding the date on which the advertisement is initially published or otherwise presented to the public. Abbreviations may be used to describe contributing entities if the full name of the entity has been clearly spoken previously during the broadcast advertisement.

(6) Political advertising costing one thousand dollars or more supporting or opposing ballot measures sponsored by a political committee must include the information on the "Top Five Contributors" consistent with subsections (2), (4), and (5) of this section. A series of political advertising sponsored by the same political committee, each of which is under one thousand dollars, must include the "Top Five Contributors" information required by this section once their cumulative value reaches one thousand dollars or more.

(7) Political yard signs are exempt from the requirements of this section that the sponsor's name and address, and "Top Five Contributor" information, be listed on the advertising. In addition, the public disclosure commission shall, by rule, exempt from the identification requirements of this section forms of political advertising such as campaign buttons, balloons, pens, pencils, sky-writing, inscriptions, and other forms of advertising where identification is impractical.

(8) For the purposes of this section, "yard sign" means any outdoor sign with dimensions no greater than eight feet by four feet.

Angie is Putting People First!

Angie Homola has lived in Washington for 30 years, where she and her husband, a retired Naval aviator, raised their two now college age children. She is an architect and former Island County Commissioner, small business owner, machinist and carpenter. As a commissioner she worked to expand transparency and improve services for local families. When the County faced a financial crisis, Angie worked with colleagues from both parties to reduce General Fund expenses 20% by downsizing departments, and freezing elected official salaries to keep the County running during tough times.

Support for Local Families

As our State Senator, Angie will work to meet our constitutional mandate to fund education including vocational schooling. She will hold creditors accountable for fair college lending and payment practices. Angie is committed to improving services for seniors, homeless, veterans, and our most vulnerable citizens.

Accountability to Taxpayers and Workers

Angie will support closing tax loopholes given to out-of-state corporations and Wall Street banks to ensure local taxpayers get a better return on their dollar, especially when it comes to our district's road, ferry and transit projects. Angie will support enforceable laws that prevent gender and discriminatory employment prejudice.

A More Sustainable Future

Angie will work to create local jobs by enacting "Buy Washington" laws that support local companies that provide jobs here in Washington, not overseas. She will support small business and protect local farms and the environment to ensure we preserve our unique Washington quality of life for today and tomorrow's generations.

I love our communities and want to ensure the residents of Island, Skagit and Snohomish Counties get their fair share in services from our State Government.

As your Senator, I will commit to improving outcomes for our kids and schools, to fund important services for veterans and seniors, and to reduce the influence of lobbyists and out-of-state corporations that have spent over \$1 million in support of my opponent's campaigns.

Together we can make our state government work for people — not the special interests.

- independent expenditures for advertising of \$1,000 or more presented to the public within 21 days of an election; and
- expenditures for an advertisement that clearly identifies at least one candidate for state, local, or judicial office; appears within 60 days of an election in the candidate's jurisdiction; is distributed through radio, television, postal mailing, billboard, newspaper or periodical; and, either alone, or in combination with other communications by the sponsor identifying the same candidate has a fair market value of \$1,000 or more.

Independent Expenditures & Electioneering Communications

Independent expenditures and expenditures for electioneering communications are important because they are a constitutionally protected form of speech and may not be subject to limit, unlike contributions. Therefore, as long as an expenditure does not constitute a "contribution," the person making it is free to spend as much or as little as he or she likes.

Definition of Independent Expenditure. For most applications in the disclosure law, an independent expenditure is defined to be expenditure for political advertising that:

- costs at least \$1,050 (either alone or in conjunction with other ads by the same sponsor benefiting the same candidate);
- supports or opposes a clearly identified candidate for state or local office;
- is paid for by someone other than a candidate, a candidate's committee or agent; and
- is paid for by some individual or entity who undertakes the advertising without having received the benefiting candidate's encouragement or approval or without collaborating with this candidate or the candidate's agent.

Definition of Electioneering Communication. Advertising must have all of the following four characteristics in order to qualify as an electioneering communication:

- The communication clearly identifies at least one candidate for state, local, or judicial office;
- appears within 60 days of an election in the candidate's jurisdiction;
- in one or more of the following media – radio, television, postal mailing, billboard, newspaper, or periodical; and
- either alone, or in combination with other communications by the sponsor identifying the candidate, has a fair market value of \$1,000 or more.

Be aware that if expenditure meets the legal definition of "contribution," it is subject to limit and it is not considered an independent expenditure or an electioneering communication. The definition of "contribution" is found in RCW 42.17A.005 and WAC 390-05-210. For this discussion of independent expenditures, it is particularly important to keep in mind that a contribution includes:

- an expenditure made by a person in cooperation, consultation, or concert with, or at the request or suggestion of, a candidate, the candidate's authorized committee or their agents; or
- paying to disseminate, distribute, or republish -- partially or completely -- a political ad prepared by a candidate, the candidate's authorized committee or other agent, regardless of whether the ad is written, broadcast or in some other form.

A person may perform ministerial functions for a candidate and a political committee without jeopardizing the political committee's eligibility to make independent expenditures or electioneering communications regarding that candidate as long as:

- The person performs solely ministerial functions for both the candidate and the political committee;
- The person is identified on both the candidate's and political committee's registration statements as a person performing ministerial functions for the campaign; and
- The person does not share information from or about one of the campaigns with the other campaign, or does not use information from or about one of the campaigns to assist the other campaign.

Ministerial functions are activities carried out as part of the duties of an administrative office without exercise of personal judgment or discretion. Typically, persons performing ministerial functions may, under the supervision of a candidate or committee officer, file PDC reports, make deposits, pay bills, and maintain campaign finance records. However, if a person performs functions for both a candidate and a political committee and those functions for one or both campaigns entail duties beyond those deemed ministerial, any expenditure by the committee benefitting the candidate may be a contribution rather than an independent expenditure or electioneering communication.

In summary, if a candidate wants to avoid compromising someone's ability to make independent expenditures or electioneering communications, neither the candidate, the candidate's committee, nor an agent of the committee may:

- Give the person encouragement, approval or direction regarding an expenditure supporting the candidate or opposing the candidate's opponent;
- Collaborate or coordinate with the person regarding an expenditure that supports the candidate or opposes the candidate's opponent;
- Provide the person with information about the candidate's plans, projects or needs prior to an expenditure supporting the candidate or opposing the candidate's opponent being made; or
- Assist a political committee with fundraising when it is known that the committee will sponsor an independent expenditure or electioneering communication that benefits the candidate.

[For more information, see RCW 42.17A.005(13), (19), (26), and (33), WAC 390-16-313, and WACs 390-05-243 and 390-05-210.]

Sponsor ID. All political advertising undertaken as an independent expenditure or an electioneering communication by any person or entity other than a party organization must include the following statement on the advertising:

"No candidate authorized this ad. It is paid for by (name, address, city, state.)"

In addition, if the ad is sponsored by a caucus political committee, a PAC or other political committee (except a party organization), the following must also appear:

- "Top Five Contributors" followed by a list of the names of the five persons or entities making the largest contributions in excess of \$700 to the committee during the 12 months before the ad runs. If a political committee keeps records tracking contributions according to the use intended by contributors, and subsequently makes independent expenditures supporting or opposing a candidate, that committee may identify the top five contributors giving for that purpose; AND
- The full name of the individual or entity that established or directly maintains or controls the sponsoring committee (or indirectly maintains or controls the sponsoring committee through the formation of one or more political committees).

These sponsor ID/controlling entity/individual and "Top 5" contributors messages must also comply with the ID size and placement standards discussed above.

For radio ads, the following statement must be clearly spoken, or for television ads, appear in print and be visible for at least four seconds, appear in letters greater than 4% of the visual screen height, and have a reasonable color contrast with the background: *"No candidate authorized this ad. Paid for by (name, city, state)."* In addition, top five contributor information, as discussed above, is necessary if the ad is sponsored by a political committee required to file with the PDC.

If independent expenditure advertising is in the form of yard signs, bumper stickers, skywriting or other items exempt from sponsor ID, these ads are also exempt from the Notice to Voters and Top Five Contributors requirements.

Party Preference. The candidates party preference must be clearly spoken in all broadcast ads.

Reporting. Independent expenditures (IEs) made by PACs, political parties and caucus political committees are reported by these spenders as part of their regular, periodic C-4 reports. All of these political committees are required to answer a question on their C-4 forms regarding whether or not the report being filed includes any IEs. Expenditures made for electioneering communications by PACs, political parties, and caucus political committees are also reported on the C-4 report. If an advertising expense qualifies both as an independent expenditure and an electioneering communication, it must be reported as an electioneering communication. Please read the following "C-6 Reports" section to determine when additional reporting is required for sponsors of independent expenditures and electioneering communication.

C-6 Reports: The purpose of an independent expenditure as well as its amount determines when the C-6 report must be filed. The next three paragraphs explain the different events that would trigger a C-6 report and when the report is due:

Individuals, unions, businesses, associations and other entities who do not report to the PDC and who make independent expenditures of \$100 or more supporting or opposing a candidate or ballot measure must file a C-6 report with PDC. The first report is due within 5 days of when the expense is made. This C-6 report may be electronically filed. If subsequent IEs are made, additional reports are required on the same dates that C-4 reports are filed.

Persons sponsoring independent expenditure political ads valued at \$1,000 or more that are mailed or otherwise presented to the public within twenty-one days of a primary, general or special election are required to file a C-6 report within 24 hours of, or on the first working day after, the date the advertisement was first mailed or otherwise presented to the public. This C-6 report may be electronically filed. Additional independent expenditures of any amount following the expenditure listed on the initial filing must be reported within 24 hours. A political committee who sponsors independent expenditure ads reports the expenditures on a C-6 form as well as a C-4 or C-5 report.

All electioneering communications must be reported on a C-6 report electronically filed within 24 hours of, or the first working day after, the communication was first broadcast, mailed, erected, or published. A political committee who makes expenditures for electioneering communications reports the expenditures on a C-6 form as well as a C-4 or C-5 report.

L-2 Reports: If a lobbyist or lobbyist employer sponsors political advertising supporting or opposing a candidate or ballot measure, whether the ad constitutes a contribution, independent expenditure, or electioneering communication, the amount paid for the advertising must be reported by the lobbyist on his or her monthly L-2 lobbying report. This L-2 reporting is in addition to the required C-6 filing.

C-7 Reports: Any business, union, association, organization or other entity -- except a lobbyist employer that files an L-3 report or a political committee that files C-4 reports -- making independent expenditures during a calendar year that total over \$1,050 supporting or opposing state office candidates or statewide ballot measures must file a C-7 (Special Political Expenditures Report). The report is due by the last day of February of the year following the one in which the expenditures were incurred and is in addition to the C-6 filing requirements.
