To whom it may concern at the PDC Compliance and Enforcement Division,

My name is Louis A. Harris and I am now the Chair of the Snohomish County Young Democrats. At the time of the original notice of the citizen's complaint regarding our required filings with the PDC as per our C1 status in 2017, I was the treasurer.

This is an official response in regards to the original groundings for the complaint. For context, during the time in question, we had a treasurer who would not fulfill their duties by filing with the PDC. That treasurer later resigned from their duties because they "no longer believed in the work we were doing," at the Snohomish County Young Democrats. We then put an interim treasurer in place who filed all of the necessary reports that the previous treasurer did not. We were "caught up " with the filings by the end of the year before we refiled the C1 form at the beginning of 2018. Since then we have been sure to file all necessary reports as per the C1 status that we currently have.

Furthermore our organization has a modest budget and has never exceeded then income limit for organizations designation. We are young politically oriented individuals who are learning politics and promoting universal well being in our community.

As a result we request that the complaint be dismissed and the case closed for organization.

Sincerely,

Louis A. Harris  
Chair  
Snohomish County Young Democrats
