To Whom it May Concern --

It has come to my attention that the Washington Coalition to Amend the Constitution, its officers, and its treasurer (hereafter referred to collectively as "Washington Coalition to Amend the Constitution") has habitually and willfully committed frequent and multiple violations of **RCW 42.17A**. Additionally, I have reason to believe that other violations of this chapter have occurred beyond what I have identified below. These additional violations would include but not be limited to failure to report debt, failure to breakdown expenditures, failure to identify all the officers, and other violations.

### **1) Failure to file accurate, timely C3 and C4 reports. (Violation of RCW 42.17A.235)**

State law requires that candidates and committees file frequent, accurate reports of contributions, expenditures, in-kind contributions, and debt. Unfortunately, the Washington Coalition to Amend the Constitution has failed on numerous occasions to do this.

(See Exhibits **A** - "**Illegally late reported C3 and C4 reports**")

The PDC should investigate the possibility that the Washington Coalition to Amend the Constitution committed the above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. If the PDC determines that is the case, they should refer the case to the Attorney General's office for criminal prosecution immediately. Please don't hesitate to contact me if you need any additional information.

(Please note, I have provided Exhibit A in multiple file formats for staff convenience)

Glen Morgan
