

## **File a Formal Complaint - Marcus Griffith**

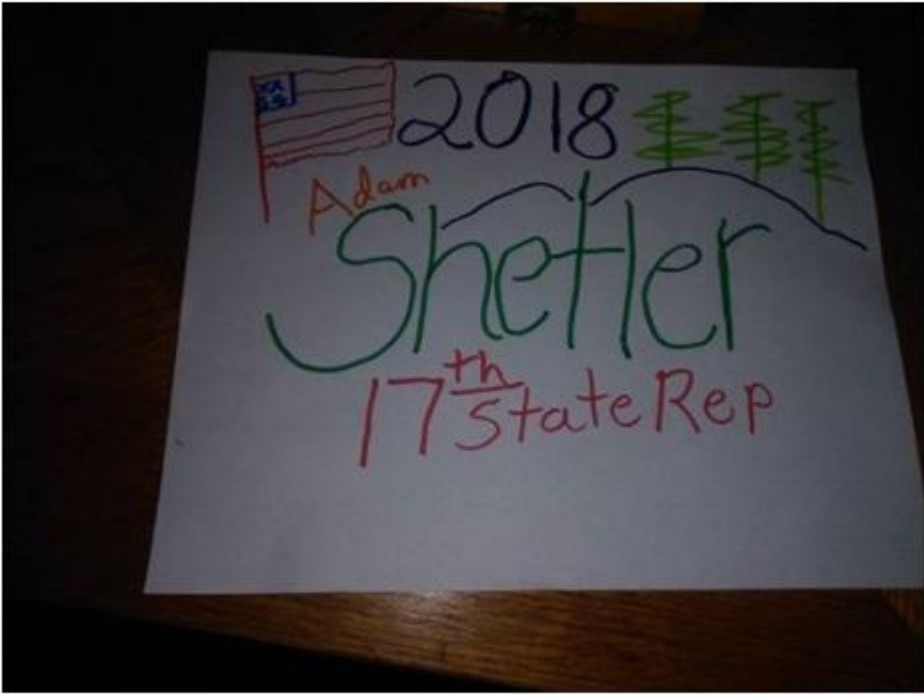

[Marcus Griffith](#) reported (Mon, 26 Mar at 10:08 PM) via Portal Meta

Adam Shetler, a current candidate for Vancouver City Council, was also a previous candidate for the State 17th District House, including making public statements for his candidacy to the state position, soliciting funds and allegedly incurring campaign expenses for the state position. On March 26, 2018, I searched and located the PDC documents for Adam Shetler's candidacy for the Vancouver City Council position, the C1 report online.

However, I was unable to locate any reports of any kind regarding the previous candidacy for the 17th District House position. The lack of information leaves me concerned that Adam Shetler violated state campaign laws when he failed to file the required paperwork for his campaign for the 17th District House position. Two screen shots of Adam Shetler's campaign Facebook account showing the public statements regarding the 17th District House position are attached for reference.

I Adam Shettler going to announce that I'm going to run for state representative in the 17th district as a conservative Republican and I'm looking for a group of people to help me with a great campaign this year !!!

A handwritten sign on a piece of paper. At the top left is a small drawing of the American flag. To its right, the year '2018' is written in black marker, followed by three green pine trees. Below the year, the name 'Adam' is written in red cursive. The name 'Shettler' is written in large green cursive letters. Below that, '17<sup>th</sup> State Rep' is written in red cursive.
