Good Morning

This message is in response to complaints filled by Mr Ritchie and Mr Lazar.

Both had concerns about reporting. I have reviewed the PDC documents for my campaign and believe their questions are answered. I would like to follow up with my Treasurer, Silvermoon Bookeeping, about the use of the PDC software to insure reporting occurs according to PDC expectations. I know she has reached out to you and looks forward to working with you.

Mr Ritchie brought forward two other issues that I have addressed. The first was failure to identify party or affiliated committee on a door hanger with rack cards from three Republican candidates. I did not join the other two candidates when they distributed the rack cards and was not aware of the text or lack of, on the hanger. I have contacted the campaign manager for the other two candidates and asked that they discontinue distribution of my rack card until I confirm the language that should appear on the door hanger.

The second issue that Mr Ritchie brought forward was my newspaper ads and the failure to include my party affiliation. I thank him for bringing this to my attention. I have changed the format for my next ad and can send a PDF with the new format.

Thanks for working with me.

Bill Peach
