**Description:**

Dear Tabitha,

I (Mickiel Smith) have just received your letter with findings for my failure to file my 2017 C-1 and F-1 reports for the "freeholder election" for Lewis County. PDC order, Case 39053.

First, I due take full responsibility for not filing. I, had after filing, chosen not to continue my involvement in this political process. I did talk to Scott who sent me paperwork to fill out and I failed to do so.

Due to personal reasons that we the focus of my attention then, this process was not at the top of my priority list.

I am asking to appeal the situation.

Please advise.

I may be reached at 360-304-9323.

Thanks,

M. Archie Smith
