To Whom it May Concern --

It has come to my attention that Rep. Garry Pollet and his candidate committee have habitually committed frequent and multiple violations of **RCW 42.17A**. Additionally, I have reason to believe that other violations of this chapter may have occurred beyond what I have identified below.

1) Failure to file accurate, timely C3 and C4 reports. (Violation of RCW 42.17A.235)

State law requires that candidates and committees file frequent, accurate reports of contributions, expenditures, in-kind contributions, and debt. Unfortunately, Rep. Garry Pollet has failed on numerous occasions to do this.

(See **Exhibits A - "Illegally late reported C3 and C4 reports"**)

2) Failure to accurately, timely report debt. (Violation of RCW 42.17A.240 (8), see WAC 390-05-295)

State law requires that the name and address of any person and the amount owed for any debt, obligation, note, unpaid loan, or other liability in the amount of more than two hundred fifty dollars or in the amount of more than fifty dollars that has been outstanding for over thirty days be reported on form C4. Per **WAC 390-05-295**, this includes any oral or written order placed, debt or obligation to purchase goods or services or anything of value, or any offer to purchase advertising space, broadcast time or other advertising related product or service.

Rep. Garry Pollet illegally failed to report the following debts: (See **Exhibit B - "Illegal failure to timely report debts"**).

3) Failure to properly break down, describe expenses. (Violation of RCW 42.17A.235, see WAC 390-16-205, WAC 390-16-037)

State law requires that expenditures made on behalf of a candidate or political committee by any person, agency, firm, organization, etc.

employed or retained for the purpose of organizing, directing, managing or assisting the candidate's or committee's efforts shall be deemed expenditures by the candidate or committee. In accordance with **WAC 390-16-037** and **WAC 390-16-205**, such expenditures shall be reported by the candidate or committee as if made or incurred by the candidate or committee directly. Additionally, in accordance with **WAC 390-16-037**, the exact purpose of the expenditure, the quantity of items printed, and the individual value of broadcast ads distributed on various media outlets must be disclosed on form C4.

Rep. Garry Pollet's committee illegally failed to break down the following expenses. (See **Exhibit C - "Illegal failure to break down expenditures"**)

I believe it is unlikely that Rep. Garry Pollet committed the above violations maliciously, which would be a class C felony per **RCW 42.17A.750 (2)(c)**. Garry Pollet has been a tireless champion of transparency and the public records act, and he truly understands the need for open government. These violations of the campaign finance statute have, unfortunately, become typical and commonplace among the very legislators who have supported this statute and who could change it at any time if they so choose.
