**RE: Citizen Action Notice – Gerry Pollet**  
**Notice of Results**

Dear Mr. Morgan:

The Attorney General's Office has completed its initial review of the allegations you made against Gerry Pollet in your citizen action notice under RCW 42.17A.765(4). You identified that you had previously filed the same allegations in a complaint to the Public Disclosure Commission.

The AGO reviewed your notice and attachments and did an initial review of the allegations. Based on that evaluation, the AGO has determined that the matter should be left to the discretion of the Public Disclosure Commission. Under the recently passed House Bill 2938, the State Legislature determined that the Commission and its staff should have the opportunity to review and act on allegations under RCW 42.17A.

Sincerely,

LINDA A. DALTON  
Senior Assistant Attorney General
