This is in response to PDC complaint 27711 failure to include sponsor ID on mailing.

This is an oversight due to an editor error leaving off the notation "Paid for by Hurst 4 Lynnwood". That note should have been included with all of the identification shown on the mailer that did include my campaign website, email and phone number and should have been printed directly under the phone number similar to the complaint of PDC Case 27639. Again I apologize for the error.

George Hurst
