

## File a Formal Complaint - Andrew Saturn

[Andrew Saturn](#) (Wed, 8 Nov at 11:41 AM) via Portal Meta

I requested to inspect books (via emails and phone voicemails) and my requests were ignored. I gave 24 hours notice as required by law. My last requests were sent via email the day before election day (Nov 6) and I have still not received a response.

I am concerned by outside groups which poured tens of thousands of dollars into campaigns for a non-partisan Port Commissioner race, and with the hints of coordination with candidates and other so-called "non profits" and "property rights advocates," I felt it was reasonable to ask to see their books.

Attack ads sent via postal mail and citing this group as the funding source are still not listed in the most recent reports. RCW says books should be current to within a day.
