To Whom it May Concern --

It has come to my attention that the 17th Legislative District Democratic Central Committee has habitually and willfully committed frequent and multiple violations of **RCW 42.17A.**

1) Failure to file accurate and timely C4 reports. (Violation of RCW 42.17A.235)

State law requires that candidates and committees file frequent, accurate reports of contributions, expenditures, in-kind contributions, and debt. Unfortunately, the 17th Legislative District Democratic Central Committee has failed on numerous occasions to do this. The 17th Legislative District Democratic Central Committee has failed to file any C-4 expenditures for 2017.

A) The 17th Legislative District Democratic Central Committee shows their address as a P.O. Box on the PDC website, yet this expense has not been recorded.

B) The 17th Legislative District Democratic Central Committee has also acquired a website this year, as well as domain email addresses. None of these expenditures have been accounted for. www.17thdems.org

C) The Clark County Democratic Central Committee has accounted for \$1,855 in contributions from the 17th Legislative District Democrats, but the 17th Legislative District Democrats have failed to report these expenditures.
