Hello Mr Fox,

Sorry for the late reply. Hopefully I'm answering the question as I understand it.

Mr Guillermo Mogollan was the campaign manager and was paid via check through our campaign checking account, registered at BofA in Burien.

His primary responsibilities included phonebanking, canvassing, volunteer recruitment and coordination, and cutting canvassing turf and data management. All the typical functions of a campaign manager.

I've included Mr Anarudh Prasad as he was the campaign treasurer and could answer more specific questions.

I hope this helps clarify Mr Mogollan's role with my campaign. Let me know if there's any more info I need that would be needed.

Thank you for your time and service.

Pedro
