

File a Formal Complaint - Ken Miller

The group called Integrity Matters! has sent a mail piece opposing Victoria Woodards, a candidate for Tacoma Mayor. The piece does not mention her opponent, Jim Merritt, but says "Vote NO on Woodards!" I believe Integrity Matters! has violated PDC rules in three ways. 1) The group failed to file form C-6 within 24 hours of its communication appearing in public. 2) The group failed to fully disclose its Top 5 donors. Instead it uses first initials and last names, creating ambiguity about the identity of the donors. 3) The group filed a mis-leading form C-1. In establishing Integrity Matters! the group declared itself to be a single-year entity to support Jim Merritt, but failed to identify opposing Victoria Woodards as one of its purposes. The current mail piece makes no mention of Merritt but instead focuses exclusively on Woodards.

- *In 2004, she LIED about having a 2-year Associates Degree at Pierce College*
- *In 2017, Woodards (D) has STILL never completed any degree*
