Mr. Blackhorn,

After talking to you on 10/24/17 I realize that I was supposed to include "paid for by Rich Crispo" on the material that I left with constituents as I went door-belling. I have read RCW 42.17A.320 and, since I am self sponsored and do not take donations or have an affiliation with any organization, did not believe that it was required. I was evidently wrong. The last time I campaigned was 8 years ago and I used the same type of leave behind without the "paid for" statement. There were no issues brought to light then. Obviously there was no intent to deceive since it would have been easy to add that statement if I had known.
