Ms. Pike's campaign documented \$2000 in contributions of what I believe is a fake business.

On PDC C3 report #100783713, page 4, filed by Pike's campaign, there are two \$1000 donations listed under "Shangri-La Aviation". The address listed on the C3 is Pike's home address. A search of the Washington State Secretary of State database shows no listing for such a business, active or inactive. Additionally, no other internet searches have yielded any results for "Shangri-La Aviation".

It is my assertion that a fake business name is being used to fund Ms. Pike's campaign.
