Dear Micaiah,

I wanted to provide one update about the MTM Spokane complaint – since filing the complaint and receiving Mr. Short’s response, I now see that Mary Dye’s campaign reported receiving \$1,300 from a “Low Cost Fundraiser” after the MTM Spokane event took place. However, Dye’s campaign did not report MTM Spokane as the source of this \$1,300.

Based on my most recent research, Mr. Dent’s committee did not report making a payment of \$500 toward the costs of the MTM Spokane fundraiser as did the other candidates, however.

I believe that these facts do not change the substantive points raised in the original complaint, but provide this update in the spirit of full disclosure.

Best regards,

Walter
