I have reviewed this complaint and RCW 42.17A.430 and agree I have made a mistake. I do not have a continuing campaign team so the mistake is mine and mine alone.

Initially I did keep the surplus funds as allowed for a future campaign. I thought of donating the funds for the Homes Now effort was first being organized thinking this was an allowable use of surplus funds. When I made the donation I had a notation on the check saying "From Committee to Elect David Sullivan" to show this is what was done. I have not used any of the alternative options for surplus funds in the past and it is obvious to me now that this was not correct. I should have reread the RCW or asked for help.

The Homes Now campaign is willing to return the donation and I still have \$0.30 from the transcription error, again mine, to add to it. I am embarrassed and eager to follow your guidance as to how best come back into compliance as soon as possible.

Since I no longer have a campaign team, please direct all future correspondence to my email [dws0321@gmail.com](mailto:dws0321@gmail.com).
