That on or, about, June, 2017, Mayor Jennifer Gregerson held a private **Luncheon for Women**, at a City Owned facility, the Rosehill Community Center, for an undetermined number of women – estimated at 40 – during which, and after, said event (meeting/luncheon), campaign material of Mayor (candidate) Gregerson was present and made available, and discussion was held regarding her re-election.

That Mayor Gregerson paid **\$850 of public (City) money** for this **campaign-related event** from her “Discretionary Account” as Mayor of Mukilteo, in specific violation of: **RCW 42.17A.550, pertaining to the Use of Public Funds for Political Purposes**; and of **RCW 42.17A.555, pertaining to the Use of Public Office or Agency Facilities in Campaigns**.

Further, That Mayor Gregerson concealed the purpose, character and conflict of this luncheon event and expenditure from the City Council when presenting her report of this expenditure to the Council in her monthly report, thereby receiving their approval.
