Report of Investigation

I. Background

- 1.2 On November 5. 2013, Bruce Chandler filed a C-1 report disclosing his candidacy for re-election in 2014 to the office of State Representative from the 15th Legislative District, selecting the Full Reporting option, and listing Abby Sanders as Treasurer.
- 1.3 On June 6, 2016, Bruce Chandler filed a C-1 report disclosing his candidacy for reelection in 2016 to the office of State Representative from the 15th Legislative District, selecting the Full Reporting option, and listing himself as Treasurer.
- 1.4 On May 8, 2018, Bruce Chandler filed a Candidate Registration (C-1 report) disclosing his candidacy for re-election in 2018 to the office of State Representative from the 15th Legislative District, selecting the Full Reporting option, and listing himself as Treasurer.

II. Allegations in Complaint

- 2.1 On September 1, 2017, Walter Smith, filed a complaint with the PDC alleging that Bruce Chandler failed to file Monetary Contribution reports (C-3 reports) and Summary Full Campaign Contributions and Expenditure reports (C-4 reports) for his 2016 re-election, disclosing contribution and expenditure activities, and that he also failed to file C-3 and C-4 for his surplus funds account. (Exhibit 1 the complaint was addressed to the Attorney General's Office (AGO), was copied to the PDC, and later confirmed as also having been filed as a PDC complaint on September 13, 2017)
- 2.2 On September 1, 2017, Walter Smith also filed a Citizen Action Notice under RCW 42.17A.765(4), providing notice to the AGO, the Yakima County Prosecuting Attorney, and the Thurston County Prosecuting Attorney, that he had reason to believe Bruce Chandler (Re-Bruce Chandler Campaign) 2016 Campaign had violated RCW 42.17A by failing to report contributions and expenditures from 2015-2017.
- 2.3 In the complaint, Mr. Smith stated that Bruce Chandler, his campaign committee, Bruce Chandler Campaign, and Bruce Chandler Campaign Surplus Funds Account, had failed to file: (1) any C-3 or C-4 reports for the 2016 election cycle, including transfers to his surplus funds account; (2) the receipt transfers into his surplus funds account and expenditures made from that account; and (3) "an unknown number of legally required reports of contributions and expenditures remain outstanding well after the conclusion of the 2016 general election."
- 2.4 The complaint included evidence that the 2016 Chandler Campaign made a \$60,000 expenditure of apparent surplus funds to the House Republican Organizational Committee (HROC), as disclosed by HROC on a C-3 reports indicating receipt of the transfer of surplus funds on September 13, 2016.
- 2.5 Following its standard practice, PDC staff did not begin an assessment or investigation because the complaint was filed as a Citizen Action Notice under RCW 42.17A.765 with the Attorney General's Office (AGO), the Yakima County Prosecuting Attorney, and the Thurston County Prosecuting Attorney. In June of 2018, the AGO notified PDC staff they would not be pursuing the allegations against the Chandler campaign, PDC staff began its assessment of the complaint.

III. Findings

- 3.1 On July 18, 2018, PDC staff informed Bruce Chandler of the changes to RCW 42.17A with the passage of ESHB 2938 and explained the impact of those changes on the PDC enforcement process and specifically the complaint filed by Mr. Smith.
- 3.2 PDC staff reviewed the allegations listed in the complaint filed by Mr. Smith and found that no C-3 or C-4 reports had been filed by the Bruce Chandler Campaign 2016 (2016 Campaign).

Bruce Chandler (Bruce Chandler 2014, 2016 & 2018 Campaigns & Surplus Funds) Report of Investigation PDC Case 24627 Page - 3 -

- 3.3 Based on that information, PDC staff expended the scope of our review and found that no C-3 or C-4 reports had been filed for the Bruce Chandler Campaign 2018 (2018 Campaign). Staff's review indicated that no C-3 reports had been filed by the Bruce Chandler Campaign 2014 (2014 Campaign) after filing a C-3 report on October 14, 2018 for an October 8, 2014 bank deposit, and no C-4 reports disclosing contribution and expenditure activities after September 30, 2014. In addition, staff's review found that C-3 and C-4 reports had not been filed for the Bruce Chandler Surplus Funds Account since 2013.
- On September 5, 2017, PDC staff provided a copy of the complaint to Bruce Chandler (including staff's review of 2014 and 2018 campaign non-filings) and asked that he provide a response to the allegations by September 12, 2017, for posting the response to the enforcement page of the PDC website.
- 3.5 In July 2018, Ivan White, on behalf of the Bruce Chandler Campaign, contacted the PDC's Filer Assistance staff regarding specific filing questions upon the request of Representative Chandler, who was a longtime friend. Mr. White did not follow up again regarding additional filing assistance until September 10, 2018.
- 3.6 On August 13, 2018, PDC staff verbally requested a written response to the complaint and requested verification that Bruce Chandler was receiving communications sent via e-mail. As a result, Bruce Chandler verbally requested a new version of the complaint which was resent, via e-mail, on August 15 requesting a response to the complaint by August 29. In addition, staff requested that the response include a summary of the campaign activity for election years 2016 and 2018, which was provided by Bruce Chandler on September 5.
- 3.7 PDC staff notified Bruce Chandler by email, telephone call or voice message concerning the missing 2016 and 2018 Campaign reports, on August 15, August 24, August 27, August 30 and September 4, 2018, respectively, and requested that the missing reports be submitted immediately. The 2016 Campaign reports were submitted on September 18 and the 2018 Campaign reports were submitted on September 12.
- 3.8 On September 7, 2018, PDC staff issued a Subpoena Duces Tecum (Subpoena) to Bruce Chandler requesting that he produce documents concerning the PDC's investigation of the 2014, 2016 and 2018 Bruce Chandler campaigns for State Representative, for PDC Case 24627.
- 3.9 In response to the Subpoena, on September 17-19, 2018, the Chandler Campaign filed 68 C-3 and C-4 reports (covering the period of 2014 -2018) disclosing previously unreported campaign activity. In addition, Bruce Chandler also filed 79 C-3 and C-4 reports disclosing previously unreported expenditures made from the Bruce Chandler Campaign Surplus Account, and the transfer of surplus funds into the account.
- 3.10 Bruce Chandler stated he did not have campaign records verifying the date the monetary contributions had been received by his campaigns, and that he had to rely on bank statements and other banking records to reconstruct the C-3 reports.

Bruce Chandler (Bruce Chandler 2014, 2016 & 2018 Campaigns & Surplus Funds) Report of Investigation PDC Case 24627 Page - 4 -

- 3.11 Ultimately, the Chandler Campaign C-3 reports disclosed contributions that appear to have been received and held for more than five business days prior to having been deposited.
- 3.12 In his response dated September 3, 2018, Bruce Chandler stated that he has been a member of the House since being elected in 1998 and that during his sixteen years of service, he was aided by three different professional accounting associates of Peterson, CPA and Advisors PLLC based in Yakima. (Exhibit 2).
- 3.13 Following receipt of the Subpoena, Bruce Chandler stated to PDC staff that he was receiving assistance from Mr. Ivan White, CPA, on a voluntary basis to reconstruct the campaign and surplus funds activity. Mr. White contacted PDC Filer Assistance Specialist Chip Beatty on several occasions during the last two weeks of September 2018, for help in filing the missing information.

Summary of 2014 through 2018 Campaign reports

- 3.14 Candidates appearing on the 2014, 2016, and 2018 primary and general election ballots who selected the Full Reporting option were required to file weekly C-3 reports every Monday beginning June 1, of those even numbered election years, disclosing contributions that were received and deposited the previous seven days. Candidates that have filed for an election in even numbered years, disclose monetary contributions received during an odd numbered year on a monthly basis, if more than \$200 was received or expended since the last C-4 report was filed.

Re: Citizen Action Notice Against State Representative Bruce Chandler

Dear Attorney General Ferguson and County Prosecuting Attorneys Tunheim and Brusic,

I write to notify you that there is good reason to believe violations of chapter 42.17A RCW, Washington State's campaign finance law, have been committed by State Representative Bruce Chandler and the Bruce Chandler Campaign, a candidate authorized committee (the "Respondents"), between 2015 and the present. Please note that, as provided by RCW 42.17A.765(4), if you do not initiate an action against the Respondents within the applicable statutory notice periods for this Citizen Action Notice, I intend to satisfy any applicable notice requirements and proceed with an action in the name of the State. This message is being sent to each of you at the e-mail address you have provided to the Washington State Bar Association to ensure you receive notification of these allegations as required by RCW 42.17A.765(4).

This notice details six or more apparent violations of various provisions of Washington's campaign finance law by the Respondents, which took place during their campaign to elect Mr. Chandler to the Washington House of Representatives for the 15th Legislative District in 2016. The cumulative lateness for the untimely reporting summarized in this notice would be at least 2,218 days late as of today. The Respondents have apparently violated chapter 42.17A RCW as follows:

A. Personal use of candidate's authorized committee funds and unauthorized transfer to political committee (2 violations)

By law, a candidate may not make personal use of funds raised for campaign purposes except under certain narrow circumstances. RCW 42.17A.445. Contributions to political committees are not permitted from authorized committee funds although they may be made using surplus funds. RCW 42.17A.430(8). On September 13, 2016, the House Republican Organizational Committee reported receiving a contribution of \$60,000 from Respondent Bruce Chandler Campaign's surplus funds. However, the Respondent Committee did not report making such a transfer from surplus funds. If the Committee transferred funds directly from its campaign moneys to the HROC, then it would appear

this was a violation of the prohibition on personal use of campaign funds, and an unlawful transfer to another committee.

B. Failure to report expenditure for surplus funds account (1 violation)

A candidate may use surplus funds for certain qualifying purposes provided he or she registers and reports the activity as provided by law. RCW 42.17A.430, WAC 390-16-236. On September 13, 2016, the House Republican Organizational Committee reported receiving a contribution of \$60,000 from Respondent Bruce Chandler Campaign's surplus funds. Respondents' PDC filings do not reveal reporting for this surplus funds transfer to date.

If Respondents transferred these surplus funds, they were required to report the account's expenditures on form C-4. Reporting of the form C-4 for the transfer would be due by 10/10/16 (and is 326 days late), but apparently no surplus funds reporting was filed to date.

C. Failure to timely file and/or amend Public Disclosure Commission form C-3 and C-4 reports ("Summary, Full Report Receipts and Expenditures" and "Cash Receipts Monetary Contributions") (Unknown Number of Violations [at least five])

The Respondents filed no reporting of their contributions and expenditures for the 2016 election year on forms C-3 and C-4 to date. By law, these regular reports of contributions and expenditures would be due throughout the 2016 election cycle. RCW 42.17A.235, .240. Respondents indicated their election to comply with full reporting in form C-1 filed, and amended, on June 6, 2016. PDC reports 100698949, 100698947. According to the Secretary of State, there are 58,642 registered voters in the 15th Legislative District, meaning that full reporting requirements are not waived under RCW 42.17A.135(1) or .200. It appears that an unknown number of legally required reports of contributions and expenditures remain outstanding well after the conclusion of the 2016 general election. At a minimum, the candidate presumably paid a filing fee reportable as an expenditure in May 2016, and owed form C-4 for the May reporting period (due June 6, 2016, and currently 452 days late), as well as the two mandatory pre-primary reports (due July 12 and 26, 2016, and currently 818 days late) and the two mandatory pre-general election reports (due October 18 and November 1, 2016, and currently 622 days late) on form C-4.

I await your position as to whether there is reasonable cause for a civil enforcement action based on these allegations, and whether you will file such an action in the name of the State.

Sincerely,

Walter M. Smith

RE: Complaint submitted to PDC

Ms. Jennifer Hansen:

I first stood for election the state legislature in the 1998 election. Over the following 16 years I was aided by 3 different professional accountants. Each of them maintained frequent communication with me, and with the PDC staff. They each found a successor before leaving the position. They were all associates of Peterson, CPA and Advisors PLLC in Yakima, WA.

Shortly after the conclusion of the 2014 election the third treasurer, Angela Wentz left Peterson, CPA to take on a new opportunity. She encouraged me to employ her assistant, Abby Sanders, to take on the responsibility of campaign treasurer. I believe Ms. Sanders attended at least two training sessions conducted by the PDC during 2015.

I first became aware that there was a problem was in September, 2016 when I was first contacted by Mr. Stutzman. I attempted to contact Ms. Sanders by telephone, email, text and at the Peterson, CPA office repeatedly for several weeks, but failed to receive a response.

Having failed to locate Ms. Sanders, I have sought the assistance of Ivan White, CPA to help locate records and transfer information to PDC reports and he has graciously accepted.

We are currently searching for relevant information pertaining to both the campaign account and the campaign surplus account to more directly respond to the specific complaints submitted to the PDC.

I do not believe that any inappropriate transfer of funds has been made from the campaign account to the House Republican Campaign account. However, I am reviewing records again to confirm that.

With Mr. White's help we are reconstructing records and I expect to begin providing the reports soon.

I appreciate this opportunity to respond to the complaints and look forward to addressing every concern.

Sincerely,

Bruce Chandler
