

File a Formal Complaint - David Steeb

[David Steeb](#) reported 19 days ago (Fri, 11 Aug at 10:47 AM) via Portal Meta

Greg Fazio registered for the Woodinville Water District Commissioner, Position 1. His campaign signs show him a candidate for TWO positions, 01 and 02 (see attached). Also, he is incorrect. It is Position 1, NOT 01. His signs are misleading and a misrepresentation of the commissioner position he selected as a candidate.

Fazio's signs are confusing, could cause errors in how the public votes in November, and harm the integrity of the election for this race. Fazio's campaign needs to remove his incorrect and improper signage immediately.
