Dear Micaiah,

I am in receipt of the PDC complaint alleging false political advertising as it pertains to my signs. For the record, please note that this complaint is being filed by my opponent's relative, probably her husband.

There was a mistake made by the sign company I used and they are correcting it now. Some of the mislabeled signs were mixed in with the correct Position 01 signs and I did not catch it immediately. I will remove and replace the signs with Position 02 as soon as possible, but would hope to have a week to accomplish this task.

I would like the record to reflect that I had no intention of confusing anybody or harming the integrity of the election, this was an honest mistake. I had absolutely nothing to gain by the mistake and I'm disappointed that a complaint was filed. A simple phone call to me would have been all that was needed. Disappointing as this is, thank you for bringing this to my attention.

Dear Micaiah,

I wanted to show you the email thread that transpired on 8/9 and 8/10 when **I first discovered the sign printer's error. I hope this clears up any** allegations that I somehow put my signs out to mislead voters or harm the integrity of the election.

Thank you,

Greg Fazzio

The screenshot shows a Gmail interface with a dark blue header. The search bar at the top contains the word "Google". Below the header, the Gmail navigation bar includes icons for compose, inbox, and other functions. On the left side, there is a sidebar with categories like "Compose", "Inbox (15)", "Starred", "Sent Mail", "Drafts (1)", and "Categories". The main content area displays an email thread with five messages. The first message is from Greg Fazzio to Jody Pierce on August 9, asking for help with sign production. The second message is a reply from Greg Fazzio. The third message is from Jody Pierce on August 10, providing a solution. The fourth message is from Greg Fazzio on August 10, confirming the solution. The fifth message is from Jody Pierce on August 10, stating that new signs will be ready by Monday. The right side of the email view shows the contact information for Jody Pierce, including her email address and a profile picture.

**Message 1:** Greg Fazzio <gregfazzio@gmail.com> to Jody :-  
Aug 9  
Hi Jody,  
I just opened the second box of my signs and we have a problem. The signs look great with exception of 93 of them have the words Position 2, when they should all have position 1 at the bottom of the sign. Everything else is fine, but I can't use the 93 that have the wrong position # at the bottom. How can we resolve this issue relatively quickly?  
Please help!  
Thank you,  
Greg

**Message 2:** Greg Fazzio <gregfazzio@gmail.com> to Jody :-  
Aug 9  
Also, I should add that I approved the words "Position #1", not Position 01. I'm ok with the 01, not a big deal, but you have to correct the 02 somehow.

**Message 3:** Jody Pierce to me :-  
Aug 10  
Wow I am not sure how that happened but we will get it fixed for you. 93 have 02 right?  
  
Thank You  
Jody Pierce

Aug 10  
Yes, that is correct. I can take a picture of the stack if you'd like. Just let me know what you'd like to see.  
Thank you for getting this fixed.

**Message 5:** Jody Pierce to me :-
