I am responding on behalf of Gregory Jones.

We were in fact late in filling the C-1 report, but did send it in via FedEx once we realized our mistake. I would appreciate confirmation that the form was received.

Additionally, please know that there are several errors on the Complaint.

First, the Candidates name is Gregory A. Jones

He is running for the position of Kennewick City Council, Ward 2

The correct e-mail is this e-mail address.

Again, please advise if the C-1 was received.

Thank you,

Arlene Jones
