

File a Formal Complaint - Andrew Saturn

[Andrew Saturn](#) reported a month ago (Wed, 12 Jul at 5:04 PM) via Portal Meta

I was sent mass unsolicited emails from the Sheley Secret campaign. The email list was titled "Sanders Delegates," which is the name of the list we used during the Bernie campaign. I never signed up for emails from Sheley Secret, and this information did not come from Bernie Sanders, the Bernie Sanders campaign, or Our Revolution.

This is proprietary and confidential information from another campaign which Sheley should not have access to, ever.

If this information was obtained legally, surely there should be a record of the purchase of the data or in-kind contribution.

I'm asking that either (a) the information regarding this purchase be made public or (b) how they otherwise came into possession of this data be made public, and reported accordingly.
