Mr. Fox Blackhorn, Compliance Coordinator:

On August 7, the campaign was notified via email of a complaint against Ms. Haley regarding failing to report an expense relating to campaign mailers. The answer is quite simple. The expense occurred on July 12 and hasn't been paid until today. Ms. Haley mailed out her check today in the amount of \$646.18 to the vendor.

Candidates Rod Higgins and Pam Haley agreed to split the cost of the mailers 50%-50%. The request went to the vendor on July 12. The vendor didn't have Ms. Haley's mailing address and delayed sending her portion of the bill. The vendor indicated he would welcome a call from the PDC verifying the facts. His name is Mr. Terry Hatch. His address is 11827 E Lenora Dr, Spokane Valley WA 99206, and his number is 509 998-2960.

If you need any other information to clear up this matter, please don't hesitate to contact me.

Thank you.

Committee to Elect Pam Haley
