Dear Mr. Blackthorn,

Thank you for your communication of August 7<sup>th</sup> regarding Alex Brooks' complaint that I had not filed any expenditure reports for my campaign. In reviewing my filings on the PDC website, I am puzzled where Mr. Brooks obtained the attachment he included with his complaint. I could not find such a page. However, he is correct in one aspect of his concern: An expense for my signs, a check written to Marvicsigns in Spokane Valley did not appear, as it should have. The amount of that purchase is \$2,868.32 for 50 4x4 large signs and 250 yard signs. That omission is being corrected as I write this.

I trust this addresses the matter. If it does not, please contact me.

Sincerely,

Rod Higgins
