Good Morning Fox,

Per our phone conversation the other day, I am writing you a description of events regarding this complaint. I was initially unaware that I needed to complete a C-1 and F-1 report. Upon return from vacation I had received a letter stating that I did in fact need to file these reports from the State of Washington Public Disclosure Commission. This letter clearly stated that both reports needed to be filed with their office no later than July 25th, 2017. Upon receipt of this letter I immediately contacted the commission (by phone) to discuss the process for filling and was informed that it was acceptable to file both forms electronically. I completed both forms and filled them electronically prior to the deadline identified in the Public Disclosure Commissions letter.

Should you have any further questions or seek clarification, please do not hesitate to contact me either by email or phone at the number listed below.

Best Regards,
